SUMMARY: The Defense Logistics Agency (DLA) has issued a solicitation for cooperative agreement applications (SCAA) to assist State and local governments and others nonprofit eligible entities in establishing or maintaining procurement technical assistance centers (PTACs) as authorized by 10 U.S.C. chapter 142. These centers help business firms market their products and services to the Department of Defense (DoD), other Federal agencies, and State and/or local government agencies. This solicitation

applies to all applications from all eligible entities, including Indian Economic Enterprises and Indian Tribal Organizations. This solicitation will govern the submission of applications for calendar years 2003 through 2007, inclusive. The closing date for the submission of applications is May 6, 2003.

On December 13, 2002, a notice was published in the **Federal Register** announcing that DLA intended to issue a SCAA and made available a draft SCAA for review and comment. In response to several comments received, DLA subsequently revised the SCAA and issued a second notice that was published in the February 14, 2003, **Federal Register** which made available the revised SCAA for review and comment. No significant comments were received. Consequently, only minor additional editorial changes have been made to the draft SCAA, which DLA has now issued as a final SCAA.

The final SCAA is available on the Internet Web site: <http://www.dla.mil/db/scaa2003.pdf>.

Printed copies are not available for distribution.

Eligible entities may only submit an application as outlined in section IV of the SCAA. To submit an application and to receive an award, eligible entities must be registered in the Central Contractor Registration (CCR) and have a Commercial and Government Entity (CAGE) Code. Registration can be accomplished online at <http://www.ccr.gov>. Upon completion and acceptance of the registration information, the CCR system will provide a CAGE Code.

In order to comply with the electronic portion of the submission, applicants must obtain a log in account and password from DLA. To obtain these, applicants must furnish the Grants Officer written evidence that they meet the criteria of an eligible entity as set forth in paragraph 19 of section II of the SCAA. Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Recreational Program—CFDA No. 84.128J is one of the programs included in the pilot project. If you are an applicant under the Recreational Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.

- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within 3 working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

(1) Print ED 424 from the e-Application system.

(2) The institution's Authorizing Representative must sign this form.

(3) Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.

(4) Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

- We may request that you give us original signatures on all other forms at a later date.

- *Closing Date Extension in Case of System Unavailability:* If you elect to participate in the e-Application pilot for the Recreational Program and you are prevented from submitting your application on the closing date because the e-Application system is unavailable, we will grant you an extension of 1 business day in order to transmit your application electronically, by mail, or by hand delivery. For us to grant this extension—

(1) You must be a registered user of e-Application and have initiated an e-Application for this competition; and

(2)(a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the deadline date; or
