*Title:* 49 U.S.C. section 5312(a) Research, Development, Demonstration and Training Projects. OMB Number: 2132-0546.

*Background:* 49 U.S.C. section 5312(a) authorizes the Secretary of Transportation to make grants or contracts for research, development, and demonstration projects that will reduce urban transportation needs, improve mass transportation service, or help transportation service meet the total urban transportation needs at a minimum cost. In carrying out the provisions of this section, the Secretary is also authorized to request and receive appropriate information from any source.

The information collected is submitted as part of the application for grants and cooperative agreements and is used to determine eligibility of applicants. Collection of this information also provides documentation that the applicants and recipients are meeting program objectives and are complying with FTA Circular 6100.1B and other federal requirements.

*Respondents:* FTA grant recipients.

*Estimated Annual Burden on Respondents:* Approximately 56 hours for each of the 250 respondents.

*Estimated Total Annual Burden:* 13,940 hours.

*Frequency:* Annual.

Issued: March 11, 2003.

**SUPPLEMENTARY INFORMATION:** Interested parties are invited to send comments regarding any aspect of these information collections, including: (1) The necessity and utility of the information collection for the proper performance of the functions of the FTA; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the collected information; and (4) ways to minimize the collection burden without reducing the quality of the collected information. Comments submitted in response to this notice will be summarized and/or included in the request for OMB reinstatement of this information collection.

*Title:* Reporting of Technical Activities by FTA Grant Recipients (OMB Number: 2132-0549)

*Background:* 49 U.S.C. sections 5303 and 5313(a) and (b) authorize the use of Federal funds to assist metropolitan planning organizations (MPOs), states, and local public bodies in developing

transportation plans and programs to serve future transportation needs of urbanized areas and nonurbanized areas throughout the nation. As part of this effort, MPOs are required to consider a wide range of goals and objectives and to analyze alternative transportation system management and investment strategies. These objectives are measured by definable activities such as planning certification reviews and other related activities.

The information collected by these forms is used to report annually to Congress, the Secretary, and to the Federal Transit Administrator on how grantees are responding to national emphasis areas and congressional direction, and allows FTA to track grantees' use of Federal planning and research funds.

*Respondents:* FTA grant recipients.

*Estimated Annual Burden on Respondents:* 3 hours for each of the 50 respondents.

*Estimated Total Annual Burden:* 150 hours.

*Frequency:* Annual.

Dated: March 11, 2003.
