BILLING CODE 4191–02–P

DEPARTMENT OF VETERANS AFFAIRS**38 CFR Part I****RIN 2900–AI95****Eligibility for Burial of Adult Children; Eligibility for Burial of Minor Children; Eligibility for Burial of Certain Filipino Veterans**

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This final rule amends the Department of Veterans Affairs (VA) regulations to provide a list of those individuals who are eligible for burial in a national cemetery. The final rule specifies that the burial of adult children of eligible persons in national cemeteries with available space is limited to those unmarried adult children of any age who became permanently incapable of self-support because of a physical or mental disability incurred before their reaching the age of 21 years, or before reaching 23 years of age if pursuing a full-time course of instruction at an approved educational institution. The final rule also specifies that the burial of minor children of eligible persons is limited to unmarried children under 21 years of age, or under 23 years of age if pursuing a full-time course of instruction at an approved educational institution. Lastly, this final rule recognizes the eligibility for burial of certain Philippine Commonwealth Army veterans in national cemeteries. This final rule is necessary to conform the regulations to statutory provisions.

DATES: *Effective Date:* May 1, 2003.

Applicability Date. The provisions of this regulation shall apply to all applications for interment or memorialization of an adult child or minor child received by VA on or after the effective date of this regulation. Pursuant to Public Law 106–419, the

provisions of this regulation shall apply to requests for interment or memorialization of certain Filipino veterans whose deaths occurred on or after November 1, 2000.

FOR FURTHER INFORMATION CONTACT:

Karen Barber, Program Analyst, Communications and Regulatory Division (402B1), National Cemetery Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420; Telephone: (202) 273–5183 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: On May 16, 2002, the National Cemetery Administration (NCA) published in the *Federal Register* (67 FR 34884) a proposed rule to implement the provisions of 38 U.S.C. 2402. The provisions of 38 U.S.C. 2402 set forth eligibility requirements for burying the remains of persons in national cemeteries with available space under VA's jurisdiction. The final rule, at 38 CFR 1.620, states a list of those individuals who are eligible for burial in a national cemetery pursuant to VA's statutory authority.

VA has discretion under 38 U.S.C. 2402(5) to determine which unmarried adult children of persons listed in paragraphs (1) through (4) and (7) are eligible to be buried in such cemeteries. The provisions of 38 CFR 1.620(c) currently specify only that an unmarried adult child of an eligible person must have been physically or mentally disabled and incapable of self-support to be eligible for burial. The final rule amends § 1.620 to specify that, to be eligible, an unmarried adult child of any age must have become permanently incapable of self-support because of a physical or mental disability that the child incurred before reaching the age of 21 years, or before reaching 23 years of age if pursuing a full-time course of instruction at an approved educational institution. We believe that eligibility for burial of unmarried adult children under 38 U.S.C. 2402(5) should be limited to persons who have been continuously dependent on the person upon whom their eligibility is based.

The final rule amends § 1.620 to clarify that, to be eligible, a minor child of an eligible person must be unmarried and under 21 years of age, or under 23 years of age if pursuing a full-time course of instruction at an approved educational institution.

Additionally, the final rule amends § 1.620 by adding a new paragraph to recognize the eligibility for burial of certain Philippine Commonwealth Army veterans in national cemeteries.

To be eligible, a person whose death occurred on or after November 1, 2002, must have served before July 1, 1946, in the organized military forces of the Government of the Commonwealth of the Philippines, while such forces were in the service of the Armed Forces of the United States pursuant to the military order of the President dated July 26, 1941, including organized guerrilla forces under commanders appointed, designated, or subsequently recognized by the Commander in Chief, Southwest Pacific Area, or other competent authority in the Army of the United States. At time of death, the veteran must have been a citizen of the United States or an alien lawfully admitted for permanent residence in the United States and have resided in the United States.

Comment on Proposed Rule

We provided a 60-day comment period that ended July 15, 2002. We received one written response by electronic mail during this period. The comment sought to clarify whether a minor child of an eligible person must be "unmarried" in order to be eligible for national cemetery burial. Although 38 U.S.C. 2402(5) does not specify that a "minor child" must be unmarried, 38 U.S.C. 101(4)(A) defines "child" for purposes of title 38, United States Code, as "a person who is unmarried." For purposes of clarity and consistency with the governing statute, the final rule specifically requires that a minor child must be "unmarried" and under 21 years of age, or under 23 years of age if pursuing a full-time course of instruction at an approved educational institution.

Based on the rationale set forth in this document and in the proposed rule, we are adopting its provisions as a final rule.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. Only individual VA beneficiaries would be directly affected. Therefore, pursuant to 5 U.S.C.

605(b), this final rule is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

Unfunded Mandates

The Unfunded Mandates Reform Act requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any given year. This rule would have no consequential effect on State, local, or tribal governments, nor will it require expenditures by the private sector.

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking direct final action to approve revisions to the Commonwealth of Pennsylvania's State Implementation Plan (SIP). The revisions were submitted by the

Pennsylvania Department of Environmental Protection (PADEP) to establish and require reasonably available control technology (RACT) for five major sources of nitrogen oxides (NO_x) located in Pennsylvania. EPA is approving these revisions to establish RACT requirements in the SIP in accordance with the Clean Air Act (CAA).

SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to sections 182(b)(2) and 182(f) of the CAA, the Commonwealth of Pennsylvania (the Commonwealth or Pennsylvania) is required to establish and implement RACT for all major volatile organic compound (VOC) and NO_x sources. The major source size is determined by its location, the classification of that area, and whether it is located in the ozone transport region (OTR). Under section 184 of the CAA, RACT, as specified in sections 182(b)(2) and 182(f) applies throughout the OTR. The entire Commonwealth is located within the OTR. Therefore, RACT is applicable statewide in Pennsylvania.

II. Summary of the SIP Revision

On December 21, 2001, PADEP submitted formal revisions to its SIP to establish and impose case-by-case RACT for several major sources of VOC and NO_x. This rulemaking pertains to five of those sources. The other sources are subject to separate rulemaking actions. The RACT determinations and requirements are included in plan approvals (PA) or operating permits (OP) issued by PADEP.

The following table identifies the individual plan approval or operating permit that EPA is approving for each source.

PENNSYLVANIA—NO_x RACT DETERMINATIONS FOR INDIVIDUAL SOURCES

Source	County	OP or PA #	Source type	Major source pollutant
Lafarge Corporation	Lehigh	OP-39-0011B	Cement Facility	NO _x .
The Peoples Natural Gas Company	Cambria	OP-11-000-356	Natural Gas Reciprocating Engines	NO _x .
Horsehead Resource Development Company, Inc.	Carbon	OP-13-0001	Recycling Operation	NO _x .
Williams Generation Company	Luzerne	OP-40-0031A	Natural Gas Turbine	NO _x .
Pennsylvania Power and Light Company, Holtwood.	Lancaster	PA-36-2016	Steam Generating Station	NO _x .

A. Lafarge Corporation

Lafarge Corporation owns and operates a cement producing company. This facility is located in Lehigh County, Pennsylvania and is considered a major NO_x emitting facility. In this instance, RACT has been established and imposed by PADEP in an operating permit. On December 21, 2001, PADEP submitted operating permit No. OP-39-

0011B to EPA as a SIP revision. This permit requires Lafarge Corporation and any associated air cleaning devices to be operated and maintained in a manner consistent with good operating and maintenance practices. This permit contains firing rate limitations for the boiler of 37.5 gallons per hour of No. 2 oil, and 35.5 gallons per hour of No. 5 oil. The facility shall record the amount

of the oil fired in the boiler in an hourly and yearly basis and submit to PADEP by March 31 of the following year. Based on a 30-day rolling average, the permit contains NO_x emission limits for the operation of the cement kilns without burning tires of 297.7 pounds per hour for Kiln No. 2, and 202.3 pounds per hour for Kiln No. 3. Also based on a 30-day rolling average, the
