Science and Program Review Subcommittee (SPRS) and the Advisory Committee for Injury Prevention and Control (ACIPC): Meetings

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following subcommittee and committee meetings.

Name: Science and Program Review Subcommittee to ACIPC.

Time and Date: 9 a.m.-11:15 a.m., April 30, 2003.

Place: The Westin Peachtree Plaza, 210 Peachtree Street, NW., Atlanta, Georgia 30303-1745.

Status: Open to the public, limited only by the space available.

Purpose: The Subcommittee provides advice on the needs, structure, progress and performance of the National Center for Injury Prevention and Control (NCIPC) programs. The Subcommittee provides second-level scientific and programmatic review for applications for research grants, cooperative agreements, and training grants related to injury control and violence prevention, and recommends approval of projects that merit further consideration for funding support. The Subcommittee also advises on priorities for research to be supported by contracts, grants, and cooperative agreements, and provides concept review of program proposals and announcements.

Matters to be Discussed: Agenda items of the Subcommittee oversight meeting include status of fiscal year (FY) 2003 request for applications (RFAs), early notification and marketing of RFAs, status of FY 2003 Injury Control Research Center (ICRC) RFAs, evaluating the ICRC program, mental health and terrorism, and dissemination research experience with FY 2002 RFA and future steps.

Name: Advisory Committee for Injury Prevention and Control.

Time and Dates: 1:30 p.m.-5:40 p.m., April 30, 2003. 8:15 a.m.-3 p.m., May 1, 2003.

Place: The Westin Peachtree Plaza, 210 Peachtree Street, NW., Atlanta, Georgia 30303-1745.

Status: Open to the public, limited only by the space available.

Purpose: The Committee advises and makes recommendations to the Secretary, Health and Human Services, the Director, CDC, and the Director, NCIPC, regarding feasible goals for the prevention and control of injury. The Committee makes recommendations regarding policies, strategies, objectives, and priorities, and reviews progress toward injury prevention and control. The Committee provides advice on the appropriate balance of intramural and extramural research, and also provides guidance on the needs, structure, progress and performance of intramural programs, and on extramural scientific program matters. The Committee provides second-level scientific and programmatic review for applications for research grants, cooperative agreements, and training grants related to injury control and violence prevention, and recommends approval of projects that merit further consideration for funding support. The Committee also recommends areas of research to be supported by contracts and cooperative agreements and provides concept review of program proposals and announcements.

Matters to be Discussed: Agenda items include reports from the Science and Program Review Subcommittee, the Subcommittee on Intimate Partner Violence and Sexual Assault (formerly known as the Family and Intimate Violence Prevention Subcommittee), and the Working Group on Injury Control and Infrastructure Enhancement; an update from the Director, NCIPC; introduction to the National Violent Data Reporting System (NVDRS); implementation and progress of NVDRS; using data on violent deaths to make a difference; how NVDRS fits into building state injury programs; introduction to suicide prevention; a history of CDC's suicide prevention efforts; national strategy for suicide prevention; presentations by several Federal agencies on their suicide prevention activities; CDC's suicide prevention activities; an update on NCIPC terrorism preparedness and response activities; and terrorism and mental health.

Agenda items are subject to change as priorities dictate.

National Institute for Occupational Safety and Health; Meeting Notice

The National Institute for Occupational Safety and Health (NIOSH) at the Centers for Disease Control and Prevention announces the following meeting:

Name: Continue Conceptual Discussions for Escape Respirator Standards Development Efforts Used for Respiratory Protection Against Chemical, Biological, Radiological, and Nuclear (CBRN) Agents.

Time and Date: 9 a.m.—5 p.m., April 29, 2003.

Place: Radisson Hotel Pittsburgh Green Tree, 101 Radisson Drive, Pittsburgh, Pennsylvania.

Status: This meeting is hosted by NIOSH and will be open to the public, limited only by the space available. The meeting room will accommodate approximately 175 people. Interested parties should make hotel reservations directly with the Radisson Hotel Pittsburgh Green Tree (412-922-8400 or 800-333-3333) before the cut off date of April 21, 2003, referencing the NIOSH/NPPTL Public Meeting. Interested parties should confirm their attendance to this meeting by completing a registration form and forwarding it by e-mail (confserv@netl.doe.gov) or fax (304-285-4459) to the Event Management Office. A

registration form may be obtained from the NIOSH Homepage (<http://www.cdc.gov/niosh>) by selecting "Conferences," and then the event.

Requests to make presentations at the public meeting should be mailed to the NIOSH Docket Officer, Robert A. Taft Laboratories, M/S C34, 4676 Columbia Parkway, Cincinnati, Ohio 45226, Telephone 513-533-8303, Fax 513-533-8285, E-mail niocindocket@cdc.gov. All requests to present should contain the name, address, telephone number, relevant business affiliations of the presenter, a brief summary of the presentation, and the approximate time requested for the presentation. Oral presentations should be limited to 15 minutes.

After reviewing the requests for presentations, NIOSH will notify each presenter of the approximate time that their presentation is scheduled to begin. If a participant is not present when his or her presentation is scheduled to begin, the remaining participants will be heard in order. At the conclusion of the meeting, an attempt will be made to allow presentations by any scheduled participants who missed their assigned times. Attendees who wish to speak but did not submit a request for the opportunity to make a presentation may be given this opportunity at the conclusion of the meeting, at the discretion of the presiding officer. Comments on the topics presented in this notice and at the meeting should be mailed to the NIOSH Docket Office, Robert A. Taft Laboratories, M/S C34, 4676 Columbia Parkway, Cincinnati, Ohio 45226, Telephone 513-533-8303, Fax 513-533-8285. Comments may also be submitted by e-mail to niocindocket@cdc.gov. E-mail attachments should be formatted as WordPerfect 6/7/8/9 or Microsoft Word. Comments should be submitted to NIOSH no later than May 30, 2003, and should reference docket number, NIOSH-002, in the subject heading.

Purpose: NIOSH will continue conceptual discussions of standards and testing processes for an Escape Respirator standard suitable for respiratory protection against CBRN Agents and review ongoing research to identify simulative materials for use as CBRN test surrogates for respirator research. NIOSH, along with the U.S. Army Soldier and Biological Chemical Command (SBCCOM) and the National Institute for Standards and Technology (NIST), will present information to attendees concerning the concept development for the Escape Respirator CBRN standard. Participants will be given an opportunity to ask questions and to present individual comments for consideration. Interested participants may obtain the latest copy of the Escape Respirator CBRN concept paper, as well as earlier versions of the concept papers used during the standard development effort, from the NIOSH contact identified below, or from the NIOSH National Personal Protective Technology Laboratory (NPPTL) Web site, address: <http://www.cdc.gov/niosh/npptl>. The April 15, 2003, concept paper will be used as the basis for discussion at the public meeting, as well as forming the basis for the new Escape Respirator CBRN statement of standard.
