Cooperative Agreement for Collaborating Centers for Public Health Law; Notice of Availability of Funds

Application Deadline: June 9, 2003.

A. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under sections 301 and 311 of the Public Health Service Act, [42 U.S.C. sections 241, 242, and 243], as amended. The Catalog of Federal Domestic Assistance number is 93.283.

B. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2003 funds for a cooperative agreement for Collaborating Centers for Public Health Law. This program addresses the "Healthy People 2010" focus area Public Health Infrastructure.

The purpose of this program is to establish two or more centers for public health preparedness in public health law ("centers") to improve the contribution that law makes to the health of the public and to the performance of the public health system. The highest priority will be on the contribution law makes to preventing, preparing for, and responding to terrorism, outbreaks of

infectious disease, and other major public health threats and emergencies.

Measurable outcomes of the program will be in alignment with the following performance goal for the CDC Public Health Practice Program Office (PHPPPO): Prepare state and local health systems, departments and laboratories to respond to current and emerging public health threats.

C. Eligible Applicants

Applications may be submitted by public and private nonprofit organizations and by governments and their agencies; that is, universities, colleges, technical schools, research institutions, public health and healthcare organizations, community-based organizations, faith-based organizations, and other public and private nonprofit organizations, state and local governments or their bona fide agents, including the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, federally recognized Indian tribal governments, Indian tribes, or Indian tribal organizations. CDC specifically encourages applications from consortia that include accredited schools of public health or medicine, accredited schools of law, and organizations that serve the legal and/or law enforcement communities.

Note: Title 2 of the United States Code section 1611 states that an organization described in section 501(c)(4) of the Internal
