RAILROAD RETIREMENT BOARD

Proposed Data Collection Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection:

Employer's Deemed Service Month Questionnaire; OMB 3220-0156.

Section 3(i) of the Railroad Retirement Act (RRA), as amended by Pub. The procedures pertaining to the deeming of additional months of service are found in the RRB's regulations at 20 CFR part 210, Creditable Railroad Service.

The RRB utilizes Form GL-99, Employers Deemed Service Month Questionnaire, to obtain service and compensation information from railroad employers needed to determine if an employee can be credited with additional deemed months of railroad service. The RRB proposes minor non-burden impacting changes to Form GL-99. The completion time for Form GL-99 is
