To exchange personal data for purposes of identifying individuals who are employed and also are receiving payments pursuant to TANF benefit programs being administered by the IMA and to verify continuing eligibility for TANF benefits.

OCSE will match public assistance records, obtained from IMA, to the

NDNH. After matching has been conducted, OCSE will provide matched data to IMA which will use this information to verify the continued eligibility of individuals to receive public assistance benefits and, if ineligible, to take such action, as may be authorized by law and regulation.
