Manufacturer of Controlled Substances; Notice of Registration

By Notice dated October 25, 2002, and published in the **Federal Register** on November 7, 2002, (67 FR 67870), Abbott Laboratories, DBA Knoll Pharmaceutical Company, 30 North Jefferson Road, Whippany, New Jersey 07981, made application by renewal to the Drug Enforcement Administration to be registered as a bulk manufacturer of the basic classes of controlled substances listed below:

Drug	Schedule
Dihydromorphine (9145)	I
Hydromorphone (9150)	II

The firm plans to manufacture bulk product and finished dosage units for distribution to its customers.

No comments or objections have been received. DEA has considered the factors in title 21, United States Code, section 823(a) and determined that the registration of Abbott Laboratories, DBA Knoll Pharmaceuticals, to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Abbott Laboratories, DBA Knoll Pharmaceuticals, to ensure that the company's registration is consistent with the public interest. This investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823 and 28 CFR 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Notice of Charter Renewal

In accordance with the provisions of the Federal Advisory Committee Act (Title 5, United States Code, Appendix 2), and title 41, Code of Federal Regulations, Section 101-6.1015, with the concurrence of the Attorney General, I have determined that the continuance of the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB) is in the public interest. In connection with the performance of duties imposed upon the FBI by law, I hereby give notice of the renewal of the APB Charter, effective January 23, 2003.

The APB provides me with general policy recommendations with respect to the philosophy, concept, and operational principles of the various criminal justice information systems managed by the FBI's CJIS Division.

The APB includes representatives from state and local criminal justice agencies; members of the judicial, prosecutorial, and correctional segments of the criminal justice community; a representative of Federal agencies participating in the CJIS systems; and representatives of criminal justice professional associations (*i.e.*, the American Probation and Parole Association, American Society of Crime Laboratory Directors, International Association of Chiefs of Police, National District Attorneys Association, National Sheriffs' Association, Major Cities Chiefs Association, Major County Sheriffs' Association, and a representative from a national professional association representing the courts or court administrators nominated by the conference of Chief Justices). All members of the APB are appointed by the FBI Director.

The APB functions solely as an advisory body in compliance with the provisions of the Federal Advisory Committee Act. The Charter has been filed in accordance with the provisions of the Act.

Submission for OMB Review; Comment Request

April 15, 2003.

The Department of Labor (DOL) has submitted the following public information collection requests (ICRs) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of this ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor. To obtain documentation, contact Darrin King on (202) 693-4129 or E-Mail: king.darrin@dol.gov.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for MSHA, Office of Management and Budget, Room 12035, Washington, DC 20503 ((202) 395-7316), within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Agency: Mine Safety and Health Administration (MSHA).

Title: Main Fan Maintenance Record.

Type of Review: Extension of a currently approved collection.

OMB Number: 1219-0012.

Frequency: On occasion.
