##### **Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to make a preliminary determination within 245 days after the last day of the anniversary month of an order or finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the 245-day time limit for the preliminary determination to a maximum of 365 days and the time limit for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the

date of publication of the preliminary determination.

#### **Background**

On January 29, 2002, the Department published a notice of initiation of administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China, covering the period December 1, 2000, through November 30, 2001. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 67 FR 4236. #### **Final Results of Five-Year Sunset Review of Suspended Antidumping Duty Investigation on Certain Cut-to-Length Carbon Steel Plate from Ukraine**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Final Results of Full Sunset Review: Certain Cut-to-Length Carbon Steel Plate from Ukraine.

**SUMMARY:** On December 31, 2002, the Department of Commerce ("the Department") published a notice of preliminary results of the full sunset review of the suspended antidumping

duty investigation on certain cut-to-length carbon plate steel ("CTL plate") from Ukraine (67 FR 79901), in accordance with section 751(c) of the Tariff Act of 1930, as amended ("the Act"). We provided interested parties an opportunity to comment on our preliminary results. We received a case brief from the Embassy of Ukraine ("the Embassy"). In addition, we received a rebuttal brief from domestic interested parties Bethlehem Steel Corporation and United States Steel Corporation. As a result of this review, the Department finds that termination of the suspended antidumping duty investigation on CTL plate from Ukraine would likely lead to continuation or recurrence of dumping at the levels indicated in the Final Results of Review section of this notice.

**EFFECTIVE DATE:** May 7, 2003.

##### **Background:**

In our preliminary results, published on December 31, 2002 (67 FR 79901), we found that the termination of the suspended antidumping duty investigation on CTL plate from Ukraine would be likely to lead to continuation or recurrence of dumping, at margins determined in the final determination of the original investigation.
