DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Michael J. Clair, D.D.S.; Revocation of Registration

On March 12, 2002, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Michael Jerome Clair, D.D.S. (Dr. Clair) at his registered location in Orlando, Florida. The Order to Show Cause notified Dr. Clair of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration, BC1867172 under 21 U.S.C. 824(a), and deny any pending applications for renewal or modification of that registration. Specifically, the Order to Show Cause alleged that Dr. Clair was without state license to handle controlled substances in the State of Florida. The Order to Show Cause also notified Dr. Clair that should no request for a hearing be filed within 30 days, his hearing right would be deemed waived.

As alluded to above, the Order to Show Cause was sent by certified mail to Dr. Clair at his registered address, however, the order was returned to DEA unclaimed. On April 19, 2002, DEA investigators hand delivered the Order to Show Cause to the aforementioned registered address where investigators left the order with Dr. Clair's wife. DEA has not received a request for hearing or any other reply from Dr. Clair or anyone purporting to represent him in this matter.

Therefore, the Deputy Administrator, finding that (1) 30 days have passed since the receipt of the Order to Show Cause, and (2) no request for a hearing having been received, concludes that Dr. Clair is deemed to have waived his hearing right. After considering material from the investigative file in this matter, the Deputy Administrator now enters his final order without a hearing pursuant to 21 CFR 1301.43(d) and (e) and 1301.46.

The Deputy Administrator finds that Dr. Clair is currently registered with DEA as a practitioner authorized to handle controlled substances in Schedules II through V. In or around
