Proposed Agency Information Collection Activities; Comment Request

AGENCIES: Office of the Comptroller of the Currency (OCC), Treasury; and Board of Governors of the Federal Reserve System (Board).

ACTION: Joint notice and request for comment.

SUMMARY: In accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the OCC and the Board (the "agencies") may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The Federal Financial Institutions Examination Council (FFIEC), of which the agencies are members, has approved the agencies' publication for public comment to extend, without revision, the following currently approved information collection titled, "Foreign Branch Report of Condition (FFIEC 030)." At the end of the comment period, the comments and recommendations received will be analyzed to determine whether the FFIEC and the agencies should modify the information collection. The agencies will then submit the report to OMB for review and approval. The Federal Deposit Insurance Corporation, also a member of the FFIEC, concurs with this proposal to extend without revision as noted in a separate Federal Register notice (68 FR 19452) published April 21, 2003.

DATES: Comments must be submitted on or before July 7, 2003.

ADDRESSES: Interested parties are invited to submit written comments to any or all of the agencies. All comments should refer to the OMB control number(s) and will be shared among the agencies.
