Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-Day notice of information collection under review: Revision of a currently approved collection; explosives delivery record.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until July 11, 2003. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Megan Morehouse, Public Safety Branch, 800 K Street, NW., Suite 710, Washington, DC 20001.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated,

electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Explosives Delivery Record.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number:* ATF F 5400.8. Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. Other: Business or other for-profit. The ATF F 5400.8, Explosives Delivery Record, will provide a record of to whom the explosive materials were given, as well as a positive identification verification, for purposes of delivery to a Federal explosive licensee or permittee.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 25,000 respondents will complete an 18 minute form.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 7,500 annual total burden hours associated with this collection.

Office of the Secretary

Submission for OMB Review; Comment Request

April 30, 2003.

The Department of Labor (DOL) has submitted the following public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in

accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). A copy of this ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor. To obtain documentation, contact Darrin King on (202) 693-4129 (this is non a toll-free number) or e-mail: king.darrin@dol.gov.

Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Office for the Mine Safety and Health Administration, Office of Management and Budget, Room 10235, Washington, DC 20503 (202) 395-7316, within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Annual Responses: 55,908.

Annual Burden Hours: 5,010.

Average Annual Response Time per Establishment: 7.5 hours.

Total Annualized capital/startup costs: \$0.

Total annual costs (operating/maintaining systems or purchasing services): \$320.00.

Description: MSHA's Emergency Temporary Standard; Final Rule 67 FR

239, Thursday, December 12, 2002) revises requirements for Emergency Evacuations of underground coal mines (30 CFR parts 48 and 75) by setting forth requirements that allow for miners and mine operators to rapidly and safely respond to emergency situations created by fire, explosion, or gas or water inundation hazards, and initiate an immediate mine evacuation when necessary to protect miners from the grave dangers of remaining underground or re-entering affected areas when hazards and conditions arise that endanger safety.

On December 11, 2002, OMB approved the information collection requirements contained in the Emergency Temporary Standard for the maximum period allowed under 5 CFR 1320.13 ("Emergency Processing"). Since the training, recordkeeping, and reporting requirements contained in the Emergency Temporary Standard are critical to safety of miners, MSHA is seeking to extend OMB approval for these information collection requirements under standard clearance procedures.

Notice of Final Determination Regarding Forced/Indentured Child Labor Pursuant to Executive Order 13126

AGENCY: Office of the Secretary, Labor.

ACTION: Notice of final determination regarding forced child labor in the firecracker industry in China.

SUMMARY: This notice sets forth the final determination regarding a May 2001 submission, pursuant to Executive Order 13126 ("Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor") and alleging forced child labor in the firecracker industry in China. The Department of Labor, in consultation and cooperation with the Departments of Treasury and State, has determined that firecrackers from China should not be added to final list of products prohibited from acquisition under Executive Order 13126, based on the lack of recent, credible and appropriately corroborated information indicating that this product is being manufactured with forced or indentured child labor.
