

demolition of the entire existing CMR Building as disposition options coupled with the alternatives for construction and operation of new nuclear laboratory facilities at the two previously identified locations. The EIS considers the performance of minimal necessary structural and systems upgrades and repairs to the existing CMR Building as a no-action alternative with continued maintenance of limited mission critical CMR capabilities at the CMR Building. NNSA expects to complete the Final CMRR EIS by November 2003. A Record of Decision would be completed no sooner than 30 days after the Final CMRR EIS is issued.

Signed in Washington, DC this 28th day of April, 2003.

Everet H. Beckner,

Deputy Administrator for Defense Programs, National Nuclear Security Administration.
