Discussion of Notice

I. Authority and Distribution Methodology

A. Authority

The Farm Labor Housing program is authorized by the Housing Act of 1949: Section 514 (42 U.S.C. 1484) for loans and section 516 (42 U.S.C. 1486) for grants. Tenant subsidies (rental assistance (RA)) are available through section 521 (42 U.S.C. 1490a). Sections 514 and 516 provide RHS the authority to make loans and grants for financing off-farm housing to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes, agencies or political subdivisions of State or local government, public agencies (such as local housing authorities) and with section 514 loans to nonprofit limited partnerships in which the general partner is a nonprofit entity.

B. Distribution Methodology

Because RHS has the ability to adjust loan and grant levels, final loan and grant levels will fluctuate. The estimated funds available for fiscal year (FY) 2003 for off-farm housing are: Section 514 loans—\$30,480,202 Section 516 grants—13,198,209

c. Section 514 and Section 516 Funds

Section 514 loan funds and section 516 grant funds will be distributed to States based on a national competition, as follows:

1. States will accept, review, and score requests in accordance with 7 CFR part 1944, subpart D. The scoring factors are:

(a) The presence and extent of leveraged assistance, including donated land, for the units that will serve program-eligible tenants, calculated as a percentage of the RHS total development cost (TDC). RHS TDC excludes non-RHS eligible costs such as a developer's fee. Leveraged assistance includes, but is not limited to, funds for hard construction costs, section 8 or other non-RHS tenant subsidies, and state or federal funds. A minimum of ten percent leveraged assistance is required to earn points; however, if the total percentage of leveraged assistance is less than ten percent and the proposal includes donated land, two points will be awarded for the donated land. Points will be awarded in accordance with the following table. (0 to 20 points)

Percentage	Points
75 or more	20
60-74	18
50-59	16
40-49	12
30-39	10
20-29	8
10-19	5
0-9	0
Donated land in proposals with less than ten percent total leveraged assistance	2

(b) Seasonal, temporary, migrant housing. (5 points for up to and including 50 percent of the units; 10 points for 51 percent or more.)

(c) The selection criteria contained in 7 CFR part 1944, subpart D includes one optional criteria set by the National Office. The National office initiative will be used in the selection criteria as follows:

Up to 10 Points will be awarded based on the presence of and extent to which a tenant services plan exists that clearly outlines services that will be provided to the residents of the proposed project. These services may include but are not limited to: Transportation related services, on-site English as a Second

Language (ESL) classes, move-in funds, emergency assistance funds, homeownership counseling, food pantries, after school tutoring, and computer learning centers. Two points will be awarded for each resident service included in the tenant services plan up to a maximum of 10 points. Plans must detail how the services are to be administered, who will administer them, and where they will be administered. All tenant service plans must include letters of intent that clearly state the service that will be provided at the project for the benefit of the residents from any party administering each service, including the applicant. (0 to 10 points)

2. States will conduct preliminary eligibility review, score applications, and forward to the National Office.

3. The National office will rank all requests nationwide and distribute funds to States in rank order, within funding and RA limits. In case of point-score ties in the National ranking, first preference will be given to a preapplication to develop units in a state that does not have existing RHS-financed off-farm LH units; second preference to a preapplication will be from a State that has not yet been selected in the current funding cycle. In the event there are multiple preapplications in either category, one preapplication from each State (the highest State-ranked) will compete by computer-based random lottery. If necessary, the process will be completed until all same-pointed preapplications are selected or funds are exhausted.

II. Funding Limits

A. Individual requests may not exceed \$3 million (total loan and grant).

B. No State may receive more than 30 percent of the total available funds unless an exception is granted from the Administrator.

C. Rental Assistance and Operating Assistance will be held in the National office for use with section 514 loans and section 516 grants and will be awarded based on each project's financial structure and need.

III. Application Process

All applications for sections 514 and 516 funds must be filed with the appropriate Rural Development State office and must meet the requirements of 7 CFR part 1944, subpart D, and section IV of this NOFA. Incomplete applications will not be reviewed and will be returned to the applicant. No application will be accepted after 5 p.m., local time, on August 14, 2003 unless date and time is extended by another Notice published in the **Federal Register**.

IV. Application Submission Requirements

A. Each application shall include all of the information, materials, forms and exhibits required by 7 CFR part 1944, subpart D, as well as comply with the provisions of this NOFA. Applicants are encouraged, but not required, to include a check list and to have their applications indexed and tabbed to facilitate the review process. The Rural Development State office will base its determination of completeness of the application and the eligibility of each applicant on the information provided in the application.

B. Applicants are advised to contact the Rural Development State office serving the place in which they desire to submit an application for application information.
