Proposed Project: Evaluating the Effectiveness of the Asthma Intervention Program, Power Breathing—New—National Center for Environmental Health (NCEH), Centers for Disease Control and Prevention (CDC).

Background

The Centers for Disease Control and Prevention (CDC) seeks to conduct an evaluation of the effectiveness of the asthma intervention program, Power Breathing, in two school districts in Kansas City, KS and Fredericksburg, VA. The overall aim of this program, developed by the Asthma and Allergy Foundation of America, is to provide adolescents with a basic understanding of asthma and its management in a peer-friendly environment and to empower them to take control of their asthma on a personal level. The proposed data collection for the evaluation will provide feedback to CDC about the
