

percentages to be in effect June 1, 2003, based on actual data for the 12 month period ended March 31, 2003. The revised tariff sheets are being filed to correct an inadvertent error in the calculation of the MidContinent Mainline fuel percentage. The filing results in a reduction to the previously filed MidContinent Mainline fuel percentage.

Northern further states that copies of the filing have been mailed to each of its customers and interested State Commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations.
