

Products Pipeline System Construction and Operation, Right-of-Way Grants, Odessa, TX to Bloomfield, NM.

Summary: EPA expressed environmental concerns with the lack of information on mitigation and reducing environmental impacts from pipeline construction, disclosure of information comparing the alternatives, discussion on increased risks of a new pipeline and relative risks of safety and explosion and spills, and details for permitting requirements.

ERP No. D-BLM-J65374-WY Rating EC2, Snake River Resource Management Plan, BLM-Administrated Public Land and Resources Allocation and Management, Snake River, Jackson Hole, Teton County, WY.

Summary: EPA expressed environmental concerns that the preferred alternative will not adequately manage land use on a watershed basis, implement restoration and improve the riparian function and habitat diversity of the Snake River. EPA recommends considering ways to reduce mixed ownership and develop partnership strategies such as a corridor-wide management plan to restore the river to its properly functioning condition.

ERP No. DB-AFS-J65287-UT Rating EC2, Long Deer Vegetation Management Project, South Spruce Ecosystem Rehabilitation Project, Implementation, Dixie National Forest, Cedar City Ranger District, Iron and Kane Counties, UT.

Summary: EPA expressed environmental concerns with potential adverse impacts to aquatic resources and contiguous terrestrial habitat from harvest activities and road closures in the project area. The DSEIS should include additional detailed information regarding adaptive management, alternatives, ecosystem characterization and fuel loading, roads and habitat fragmentation.

Final EISs

ERP No. F-AFS-K65246-AZ, Flagstaff/Lake Mary Ecosystem Analyses Area, Amendment to the Coconino National Forest Plan, Implementation, Coconino National Forest, Peaks and Mormon Lake Ranger Districts, Coconino County, AZ.

Draft Programmatic Environmental Impact Statement

AGENCIES: U.S. Army Corps of Engineers, Department of the Army, DOD; Environmental Protection Agency; Office of Surface Mining and U.S. Fish and Wildlife Service, Interior; and West Virginia Department of Environmental Protection.

ACTION: Announcement of Draft Programmatic Environmental Impact Statement (DEIS) availability and notice of public hearings.

SUMMARY: The above agencies announce the availability of the DEIS on Mountaintop Mining/Valley Fills in Appalachia for public comment. The DEIS considers new or revised program guidance, policies, or regulations to

minimize, to the maximum extent practicable, the adverse environmental effects of mountaintop mining/valley fill operations within the Appalachian study area in West Virginia, Kentucky, Virginia, and Tennessee.

The DEIS is being mailed to known interested parties and can be viewed on the Internet at <http://www.epa.gov/region3/mntop/index.htm>. The DEIS can also be viewed at local offices of the above agencies and at local libraries. Copies of the DEIS can be requested by calling the Environmental Protection Agency, Region 3, toll free at 1-800-228-8711.

The public is invited to provide written comments on the DEIS during the extended 90-day comment period and oral comments during either of the 2 public hearings. The first hearing will be held at the Forum at the Hal Rogers Center, 101 Bulldog Lane, Hazard, KY 41701. The second hearing will be held at the Charleston Civic Center-Little Theater, 200 Civic Center Drive, Charleston, WV 25301. Each hearing will have two sessions: the first will be held from 2 p.m. to 5 p.m. and the second will be held the same day from 7 p.m. to 11 p.m.

DATES: The public hearing in Hazard, KY will be held on July 22, 2003, and the public hearing in Charleston, WV will be held on July 24, 2003. Written comments on the DEIS must be received by August 29, 2003.

ADDRESSES: Send written comments on the DEIS to John Forren, U.S. Environmental Protection Agency (3EA30), 1650 Arch Street, Philadelphia, PA 19103.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to persons who are or may be required to conduct testing of chemical substances under the Federal Food, Drug, and Cosmetic Act (FFDCA), FIFRA, and the Food Quality Protection Act (FQPA) of 1996. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the DFO listed under **FOR FURTHER INFORMATION CONTACT.**

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2003-0186. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document

electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

EPA's position paper, charge/questions to FIFRA/SAP, FIFRA/SAP composition (i.e., members and consultants for this meeting), and the meeting agenda will be available as soon as possible, but no later than early July 2003. In addition, the Agency may provide additional background documents as the materials become available. You may obtain electronic copies of these documents, and certain other related documents that might be available electronically, from the FIFRA/SAP Internet Home Page at <http://www.epa.gov/scipoly/sap>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in EPA's Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA's Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

Public commenters should note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is
