SUPPLEMENTARY INFORMATION: The information collection for A Reporting System for the Public Law 102-477 Demonstration Project needs renewal. The 60-day notice requesting comments on OMB Control Number 1076-0135, "Public Law 102-477 Reporting," was published in the **Federal Register** on November 27, 2002 (67 FR 70963). We have held meetings with both tribal and Federal partners regarding the existing Public Law 102-477 tribal report forms. We have also shared the changes mandated by the government-wide employment and training OMB requirements with Federal partners and tribal representatives. Based upon our requests for input and recommendations, we are requesting two actions: (1) That tribes be able to use existing forms which will be gradually phased out as tribes are able to use new forms, but no later than September 30, 2003, and (2) we are requesting approval of the revised forms which will become effective October 1, 2003, at the latest. Tribes may adopt the new revised forms as they have made the necessary alterations to their computer programs and data collection forms so that they may adequately collect and accurately report the required data.

Abstract: The information collection is needed to document satisfactory compliance with statutory, regulatory and OMB requirements of the various integrated programs. Public Law 102-477 authorizes tribal governments to integrate Federally-funded employment, training and related services programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of the Interior, Department of Labor, and the Department of Health and Human Services. The Bureau of Indian Affairs is statutorily required to serve as the lead agency. Section 11 of this Act requires that the Secretary of the Interior make available a single universal report format which shall be used by a tribal government to report on integrated activities and expenditures undertaken. The Bureau of Indian Affairs shares the information collected from these reports with the Department of Labor and the Department of Health and Human Services.

Method of Collection

Existing Forms: Currently, tribal governments voluntarily participating in Public Law 102-477 are required to annually complete two single page, one-sided report forms and one narrative report, which includes four pages of instructions. They replace 166 pages of instructions and applications
