

Manufacturer and Exporter	POR	Margin (percent)
Wuhan Bee Healthy Co., Ltd. ....	12/01/01 - 05/31/02	9.66

For details on the calculation of the antidumping duty margin, *see* the Analysis Memorandum for the Preliminary Results of the Antidumping Duty New Shipper Review of Honey from the People's Republic of China, dated May 27, 2003. A public version of this memorandum is on file in the CRU.

#### Assessment Rates

Pursuant to section 351.212(b), the Department calculates an assessment rate for each importer of the subject merchandise. Upon issuance of the final results of this new shipper review, if any importer-specific assessment rates calculated in the final results are above *de minimis* (i.e., at or above 0.5 percent), the Department will issue appraisal instructions directly to Customs to assess antidumping duties on appropriate entries by applying the assessment rate to the entered value of the merchandise. For assessment purposes, we calculated importer-specific assessment rates for the subject merchandise by aggregating the dumping duties due for all U.S. sales to each importer and dividing the amount by the total entered value of the sales to that importer. If these preliminary results are adopted in our final results of review, we will direct Customs to assess the resulting rate against the entered customs value for the subject merchandise on each of Wuhan's importer's/customer's entries during the POR.

#### Cash-Deposit Requirements

Wuhan may continue to post a bond or other security in lieu of cash deposits for each entry of subject merchandise produced and exported by Wuhan. Bonding will no longer be permitted to fulfill security requirements for Wuhan's shipments after publication of the final results of this new shipper review. The following cash-deposit rate will be effective upon publication of the final results of this new shipper review for all shipments of honey from the PRC entered, or withdrawn from warehouse, for consumption on or after publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for subject merchandise produced and exported by Wuhan, the cash-deposit rate will be that established in the final results of this review; (2) for all other subject merchandise exported by Wuhan, the cash-deposit rate will be the PRC country-wide rate, which is 183.80

percent; (3) for all other PRC exporters which have not been found to be entitled to a separate rate, the cash-deposit rate will be the PRC country-wide rate; and (4) for all non-PRC exporters of subject merchandise, the cash-deposit rate will be the rate applicable to the PRC exporter that supplied that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

#### Schedule for Final Results of Review

The Department will disclose calculations performed in connection with the preliminary results of this review within five days of the date of publication of this notice in accordance with section 351.224(b). Any interested party may request a hearing within 30 days of publication of this notice in accordance with section 351.310(c) of the Department's regulations. Any hearing would normally be held 37 days after the publication of this notice, or the first workday thereafter, at the U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. Individuals who wish to request a hearing must submit a written request within 30 days of the publication of this notice in the **Federal Register** to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, 14th Street and Constitution Avenue, NW, Washington, DC 20230. Requests for a public hearing should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) to the extent practicable, an identification of the arguments to be raised at the hearing.

As part of the case brief, parties are encouraged to provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited. Rebuttal briefs, which must be limited to issues raised in the case briefs, must be filed within five days after the case brief is filed. If a hearing is held, an interested party may make an affirmative presentation only on arguments included in that party's case brief and may make a rebuttal

presentation only on arguments included in that party's rebuttal brief. Parties should confirm by telephone the time, date, and place of the hearing within 48 hours before the scheduled time. The Department will issue the final results of this new shipper review, which will include the results of its analysis of issues raised in the briefs, within 90 days from the date of the preliminary results, unless the time limit is extended.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and this notice are published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

#### Iron Construction Castings from the People's Republic of China: Rescission of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** In response to a timely request from an interested party, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on iron construction castings (castings) from the People's Republic of China (PRC). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in*

Part, 67 FR 42573 (June 25, 2002). This review covers the period May 1, 2001 through April 30, 2002. Because the company for which the review was requested and initiated was not an exporter of the subject merchandise to the United States, the Department is rescinding this review in accordance with 19 CFR 351.213(d).

**EFFECTIVE DATE:** June 3, 2003.

**FOR FURTHER INFORMATION CONTACT:**

Jacqueline Arrowsmith or Maureen Flannery, AD/CVD Enforcement Group III, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone (202) 482-5255 or (202) 482-3020, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

The Department published in the **Federal Register** an antidumping duty order on castings from the PRC on May 9, 1986. See *Antidumping Duty Order: Iron Construction Castings from the People's Republic of China*, 51 FR 17222 (May 9, 1986). On May 30, 2002, the Department received a timely request from Powin Corporation (Powin), an importer of subject merchandise, for an administrative review of Mucun Foundry of Fangzi District (Mucun Foundry). The Department published its initiation of the administrative review for Mucun Foundry on June 25, 2002. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 67 FR 42573 (June 25, 2002) (*Initiation Notice*).

On August 26, 2002, the Department issued its antidumping duty questionnaire, and on October 11, 2002, pursuant to Powin's request, the Department extended the deadlines for the questionnaire responses to October 18, 2002, for Section A, and October 25, 2002, for Sections C and D. We received, in proper form, Section A responses on October 18, 2002, and Section C and D responses on October 25, 2002.

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department may extend the deadline for completion of the preliminary results of an administrative review if it determines that it is not practicable to complete the preliminary results of a review within the statutory time limit of 245 days. On December 3, 2002, in accordance with the Act, the Department extended the time limit for completion of the preliminary results of this antidumping duty administrative review until no later than May 30, 2003.

See *Notice of Extension of Time Limit for Preliminary Results of the Antidumping Duty Administrative Review: Certain Iron Construction Castings From the People's Republic of China*, 67 FR 75845 (December 10, 2002).

**Rescission of Antidumping Duty Administrative Review of Castings**

Based on our review of questionnaire responses as well as information from the U.S. Bureau of Customs and Border Protection, the Department found that the subject merchandise had not been exported to the United States by Mucun Foundry, the only company for which the review was requested and initiated. On January 30, 2003, we issued a letter and memorandum to all interested parties in this review stating our intention to rescind this administrative review because the company for which the review was requested did not export to the United States during the period of review (POR). See *Memorandum from Javier Barrientos and Julio A. Fernandez through Sally C. Gannon to Barbara E. Tillman: Iron Construction Castings from the People's Republic of China: Intent to Rescind Antidumping Duty Administrative Review* (January 30, 2003). We invited all interested parties to comment on our stated intent to rescind the review.

On February 13, 2003, Powin submitted comments objecting to a rescission, and on February 25, 2003 the petitioners<sup>1</sup> submitted comments supporting a rescission. We have considered Powin's and petitioners' comments and have reached a final determination to rescind this administrative review. See *Memorandum from Matthew Renkey, Case Analyst, through Maureen Flannery, Program Manager, Office of AD/CVD Enforcement VII, to Barbara Tillman, Director, Office of AD/CVD Enforcement VII: Iron Construction Castings from the People's Republic of China: Rescission of the 2001-2002 Administrative Review*, dated May 27, 2003 (*Rescission Memo*), which discusses in full the comments received.

Pursuant to our regulations, the Department will rescind an administrative review if the Department determines that "during the period covered by the review, there were no entries, exports, or sales of the subject merchandise, as the case may be." See 19 CFR 351.213(d)(3). Given that Mucun Foundry was not the exporter, but only

a producer, the Department has determined that this administrative review should be rescinded as Mucun Foundry did not have any entries, exports or sales of subject merchandise during the current POR. See *Certain Cased Pencils From the People's Republic of China: Preliminary Results and Rescission in Part of Antidumping Duty Administrative Review*, 66 FR 1638 (January 9, 2001). See also *Laizhou City Guangming Pencil-Making Co. Ltd., Et Al., v. United States*, No. 02-151 (Ct. Int'l Trade Dec. 18, 2002). Therefore, the Department has determined that it is reasonable to rescind this administrative review of castings for the period May 1, 2001 through April 30, 2002. The Department will issue appropriate assessment instructions to the U.S. Bureau of Customs and Border Protection.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination and notice are issued and published in accordance with 19 CFR 351.213(d)(4) and sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 27, 2003.
