Electric Quarterly Reports; Revised Public Utility Filing Requirements; Notice of Extension of Time

June 4, 2003.

On April 25, 2002, the Commission issued Order No. 2001,¹ a final rule which requires public utilities to file Electric Quarterly Reports (EQR). Order 2001-C, issued December 18, 2002, instructs all public utilities to file these reports using Electric Quarterly Report Submission Software, beginning with the report due on or before January 31, 2003 (extended to February 21, 2003). On March 28, 2003, the Commission issued Order 2001-D, requiring public utilities to review their fourth quarter 2002 EQR submissions to ensure that the data filed was correct. Utilities were directed to re-submit their corrected data by April 11, 2003, which was extended to April 18, 2003.

Despite the extended due dates, several companies requested further extensions to the filing deadlines to resolve problems they experienced with compiling and formatting their data. Notice is hereby given that the deadlines for filing EQR data are extended to the dates listed for each company identified in the attachment to this notice.

Magalie R. Salas,
Secretary.
