SUPPLEMENTARY INFORMATION:

Background

The ASCA of 1990 (Title XIX of Pub. L. 101-647) placed anabolic steroids into Schedule III of the CSA (21 U.S.C. 812). Section 1903 of the ASCA provides that the Attorney General may exempt products which contain anabolic steroids from all or any part of the CSA (21 U.S.C. 801 *et seq.*) if the products have no significant potential for abuse. The authority to exempt these products was delegated from the Attorney General to the Administrator of the Drug Enforcement Administration (28 CFR 0.1009b), who, in turn, redelegated this authority to the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (28 CFR appendix to subpart R, Section 7, paragraph (g)). The procedure for implementing this section of the ASCA is found in § 1308.33 of Title 21 of the Code of Federal Regulations.

In conformance with § 1308.33 of Title 21 of the Code of Federal Regulations, an application was received from Syntho Pharmaceuticals to exempt two of their anabolic steroid products, Syntest H.S. and Syntest D.S. This application was forwarded to the Secretary of Health and Human Services (HHS) for his evaluation. Upon the recommendation of HHS and other relevant information, the DEA published an interim rule and request for comments (68 FR 1964, January 15, 2003) in which the Deputy Assistant Administrator ordered the products to be added to the list of exempt anabolic steroids.

Suspension of Order To Add Anabolic Steroid Products to the List of Products Exempted From Application of the CSA

DEA received two comments from interested persons that raised significant issues regarding findings of fact or conclusions of law upon which this order was based. As set forth in 21 CFR 1308.33(d), the Deputy Assistant Administrator hereby immediately suspends the effectiveness of this order until she may reconsider the application

in light of the comments and objections filed. Thereafter, the Deputy Assistant Administrator will reinstate, revoke, or amend her original order as she determines appropriate.

Dated: June 4, 2003.

Laura M. Nagel,

Deputy Assistant Administrator, Office of Diversion Control.

PENSION BENEFIT GUARANTY CORPORATION

29 CFR Parts 4022 and 4044

Benefits Payable in Terminated Single-Employer Plans; Allocation of Assets in Single-Employer Plans; Interest Assumptions for Valuing and Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: The Pension Benefit Guaranty Corporation's regulations on Benefits Payable in Terminated Single-Employer Plans and Allocation of Assets in Single-Employer Plans prescribe interest assumptions for valuing and paying benefits under terminating single-employer plans. This final rule amends the regulations to adopt interest assumptions for plans with valuation dates in July 2003. Interest assumptions are also published on the PBGC's Web site (<http://www.pbgc.gov>).

EFFECTIVE DATE: July 1, 2003.

FOR FURTHER INFORMATION CONTACT:

Harold J. Ashner, Assistant General Counsel, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202-326-4024. (TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: The PBGC's regulations prescribe actuarial assumptions—including interest assumptions—for valuing and paying plan benefits of terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions are intended to reflect current conditions in the financial and annuity markets.

Three sets of interest assumptions are prescribed: (1) A set for the valuation of benefits for allocation purposes under section 4044 (found in appendix B to part 4044), (2) a set for the PBGC to use to determine whether a benefit is

payable as a lump sum and to determine lump-sum amounts to be paid by the PBGC (found in appendix B to part 4022), and (3) a set for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using the PBGC's historical methodology (found in appendix C to part 4022).

Accordingly, this amendment (1) adds to appendix B to part 4044 the interest assumptions for valuing benefits for allocation purposes in plans with valuation dates during July 2003, (2) adds to appendix B to part 4022 the interest assumptions for the PBGC to use for its own lump-sum payments in plans with valuation dates during July 2003, and (3) adds to appendix C to part 4022 the interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using the PBGC's historical methodology for valuation dates during July 2003.

For valuation of benefits for allocation purposes, the interest assumptions that the PBGC will use (set forth in appendix B to part 4044) will be 4.30 percent for the first 20 years following the valuation date and 5.25 percent thereafter. These interest assumptions represent a decrease (from those in effect for June 2003) of 0.40 percent for the first 20 years following the valuation date and are otherwise unchanged.

The interest assumptions that the PBGC will use for its own lump-sum payments (set forth in appendix B to part 4022) will be 3.00 percent for the period during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. These interest assumptions represent a decrease (from those in effect for June 2003) of 0.50 percent for the period during which a benefit is in pay status and are otherwise unchanged.

For private-sector payments, the interest assumptions (set forth in appendix C to part 4022) will be the same as those used by the PBGC for determining and paying lump sums (set forth in appendix B to part 4022).

The PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This finding is based on the need to determine and issue new interest assumptions promptly so that the assumptions can reflect, as accurately as possible, current market conditions.

Because of the need to provide immediate guidance for the valuation and payment of benefits in plans with valuation dates during July 2003, the PBGC finds that good cause exists for making the assumptions set forth in this

amendment effective less than 30 days after publication.

The PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

Coast Guard

33 CFR Part 117

[CGD07-03-051]

RIN 1625-AA09

Drawbridge Operation Regulations; Atlantic Intracoastal Waterway, Mile 1070.5 at Hollywood, Broward County, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is temporarily changing the regulations governing the operation of the Sheridan Street Bridge, mile 1070.5, Hollywood, Broward County, Florida. This temporary rule allows this bridge to limit openings to a single leaf not more than once every 20 minutes. Double-leaf openings will be available during certain times with a two-hour advance notice to the bridge tender. This temporary rule is necessary to allow the bridge owner to safely complete repairs to the bridge.

DATES: This rule is effective from 7 a.m. on June 5, 2003 to 6 p.m. on September 26, 2003.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket [CGD07-03-051] and are available for inspection or copying at Commander (obr), Seventh Coast Guard District, 909 S.E. 1st Avenue, Room 432, Miami, Florida 33131 between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Lieberum, Project Officer, Seventh Coast Guard District, Bridge Branch at (305) 415-6744.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM would be impracticable and

contrary to the public interest. Publishing an NPRM and delaying the effective date of the rule would adversely affect public safety by delaying the contractor's ability to safely repair the bridge.

For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

The Sheridan Street Bridge, mile 1070.5 at Hollywood, Broward County, Florida, has a vertical clearance of 22 feet at mean high water and a horizontal clearance of 45 feet between the down span and the fender system. The existing operating regulations in 33 CFR 117.5 require the bridge to open on signal.

On February 28, 2003, PCL Contractors requested that the Coast Guard modify the bridge opening schedule because of safety issues including, but not limited to, welding deck plates and modifying counterweight girders. Specifically, they requested that the bridge open only a single leaf no more than every 20 minutes with double-leaf openings available, during certain periods, with two hours advance notice given to the bridge tender. Double-leaf openings, however, will not be available from June 5 until July 3, 2003, because painting tarps will be in position to catch lead paint. Also, workers will be modifying the bridge's counterweights at that time. The contractor will be working 24 hours a day, seven days a week to complete bridge repairs as quickly as possible. This rule is necessary to ensure worker safety during repairs to the bridge and does not significantly hinder navigation. During this time of year, the majority of vessels that would normally require a double-leaf opening will be traversing the open ocean and not using the Intracoastal Waterway.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). The Coast Guard expects the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary, because the regulations affect a limited amount of

marine traffic and only for certain periods. Most vessels will be able to safely transit through a single span of the bridge, and both spans of the bridge will open with two hours advance notice to the bridge tender, except from June 5 until July 3, 2003.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this temporary rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this temporary rule will not have a significant economic impact on a substantial number of small entities. Most vessels will be able to safely transit through a single span of the bridge, and both spans of the bridge can be opened with two hours advanced notice to the bridge tender, except from June 5 to July 3, 2003.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this temporary rule so that they can better evaluate its effects on them and participate in the rulemaking. If this temporary rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in **FOR FURTHER INFORMATION CONTACT**.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This temporary rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).
