SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17f-1(b), SEC File No. 270-28, OMB Control No. 3235-0032

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

- Rule 17f-1(b): Requirements for reporting and inquiry with respect to missing, lost, counterfeit, or stolen securities

Rule 17f-1(b) requires approximately 26,000 entities in the securities industry to register in the Lost and Stolen Securities Program ("Program"). Registration fulfills a statutory requirement that entities report and inquire about missing, lost, counterfeit, or stolen securities. Registration also allows entities in the securities industry

to gain access to a confidential database that stores information for the Program.

We estimate that 1,000 entities will register in the Program annually. We also estimate that each respondent will register one time. The staff estimates that the average number of hours necessary to comply with the Rule 17f-1(b) is one-half hour. The total burden is 500 hours annually for respondents, based upon past submissions. The average cost per hour is approximately \$50. Therefore, the total cost of compliance for respondents is \$25,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Kenneth A. Fogash, Acting Associate Executive Director/CIO, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549.

Dated: June 12, 2003.

June 12, 2003.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and rule 19b-4 thereunder,² notice is hereby given that on May 30, 2003, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in items I, II and III below, which items have been prepared by the Phlx. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx proposes to amend its schedule of dues, fees, and charges applicable to equity option transactions. The text of the proposed rule change is available at the Office of the Secretary, the Phlx, and at the Commission.

in item IV below and is set forth in sections A, B, and C below.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Phlx proposes to amend its schedule of dues, fees and charges applicable to equity options by increasing: (1) The Firm/Proprietary transaction charge from \$.15 per contract to \$.20 per contract; (2) the Firm/Proprietary Facilitation transaction charge from \$.08 per contract to \$.10 per contract; (3) the Registered Options Trader (on-floor) transaction charge from \$.16 per contract to \$.19 per contract; and (4) the Specialist transaction charge from \$.18 per contract to \$.21 per contract (the "Amended Fees").³ The Amended Fees are scheduled to be implemented on transactions settling on or after June 1, 2003. In addition, the Exchange proposes to delete the text of footnote 9 of its schedule of dues, fees, and charges, which inadvertently was not changed when amendments were made to the Firm/Proprietary Facilitation transaction charge in May 2002.⁴

The Exchange states that the purpose of the proposed fee changes to the Firm/Proprietary transaction charge, the Firm/Proprietary Facilitation transaction charge, the Registered Option trader (on-floor) transaction charge, and the Specialist transaction charge is to raise revenue for the Exchange from equity options transactions, which the Exchange believes should help offset rising Exchange costs associated with maintaining a competitive marketplace for its members and investors.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with section 6(b) of the Act⁵ in general, and furthers the objectives of section 6(b)(4) of the Act⁶ in particular, in that it is an

See Securities Exchange Act Release No. 44292 (May 11, 2001), 66 FR 27715 (May 18, 2001) (SR-Phlx-2001-49). This credit program expired effective May 2003. The Exchange intends to file a separate proposed rule change to remove references to the member credit throughout the entire schedule of dues, fees and charges.

equitable allocation of reasonable dues, fees, and other charges among Exchange members, as it raises the equity option transaction fee for many users.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to section 19(b)(3)(A)(ii) of the Act⁷ and rule 19b-4(f)(2) thereunder.⁸ Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.
