[Docket No. FR-4809-N-25]

**Federal Property Suitable as Facilities To Assist the Homeless**

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:**

Mark Johnston, room 7266, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Shirley Kramer, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville,

MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Agriculture:* Ms. Marsha Pruitt, Department of Agriculture, Reporters Building, 300 7th Street, SW., Room 310B, Washington, DC 20250; (202) 720-4335; *GSA:* Mr. Brian K. ## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Indian Health Service

### Renewal of Agency Information Collection for Indian Self-Determination and Education Assistance Contracts

**AGENCIES:** Bureau of Indian Affairs, Department of the Interior, and Indian Health Service, Department of Health and Human Services.

**ACTION:** Notice of request for comments.

**SUMMARY:** The Department of the Interior and the Department of Health and Human Services announce a request for comments concerning renewal of 1076-0136, the Information Collection Request used for Indian Self-Determination and Education Assistance actions. The information collection will be used to process contracts, grants or cooperative agreements for award by the Bureau of Indian Affairs and the Indian Health Service as authorized by the Indian Self-Determination and Education Assistance Act, as amended, and as set forth in 25 CFR part 900. The Department of the Interior and the Department of Health and Human Services invite comment on the information collection described below.

**DATES:** Interested persons are invited to submit comments on or before August 19, 2003.

**ADDRESSES:** If you wish to comment, you may submit your comments to Lena Mills, Office of Tribal Services, Bureau of Indian Affairs, Department of the Interior, 1951 Constitution Avenue, NW., MS 320-SIB, Washington, DC 20240. You may telefax comments on this information collection to (202) 208-5113. You may also hand deliver written comments or view comments at the same address.

**FOR FURTHER INFORMATION CONTACT:** Lena Mills, Office of Tribal Services, Bureau of Indian Affairs, (202) 513-7612. You may obtain a copy of this information collection document at no charge by a written request to the same address, by telefaxing a request to the above number, or by calling (202) 513-7612. Please identify the information collection by the number 1076-0136.

**SUPPLEMENTARY INFORMATION:** The Department of the Interior and the Department of Health and Human Services developed a joint rule, 25 CFR part 900, to implement section 107 of the Indian Self-Determination and Education Assistance Act, as amended, and Title I, Public Law 103-413, the Indian Self-Determination Contract Reform Act of 1994. Section 107(a)(2)(A)(ii) of the Indian Self-Determination Contract Reform Act requires the joint rule to permit contracts and grants to be awarded to Indian tribes without the unnecessary burden or confusion associated with two sets of rules and information collection requirements when there is a single program legislation involved. The Bureau of Indian Affairs and the Indian Health Service expect that the base burden hours for complying with this Information Collection Request, OMB 1076-0136, will be reduced overall by approximately 20 percent during the contract renewal process. The reduction in the number of base burden hours associated with information collection requirements of 25 CFR part 900 results from the following three factors:

(1) More tribes are contracting under 25 CFR 900.8, which permits tribes to contract several programs under a single contract;

(2) The number of self-governance tribes has increased. Self-governance tribes may combine all programs under a single self-governance compact;

(3) The majority of contracts awarded are renewal contracts, which take considerably less time to complete than new contracts and therefore substantially decrease time spent under subpart C.

The information requirements for this joint rule differ from those of other agencies. Both the Bureau of Indian Affairs and the Indian Health Service let contracts for multiple programs, whereas other agencies usually award single grants to tribes. Under the Indian Self-Determination and Education Assistance Act, as amended, and the Indian Self-Determination Contract Reform Act of 1994, tribes are entitled to contract and may renew contracts annually with the Bureau of Indian Affairs and the Indian Health Service, whereas other agencies provide grants on a discretionary or competitive basis.

The proposal and other supporting documentation identified in this information collection are used by the Department of the Interior and the Department of Health and Human Services to determine applicant eligibility, evaluate applicant capabilities, protect the service population, safeguard Federal funds and
