National Institute of Diabetes and Digestive and Kidney Diseases; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. appendix 2), notice is hereby given of the following meetings.

The meetings will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Disease Special Emphasis Panel, Preclinical Models of Transplantation.

Date: July 24, 2003.

Time: 2 p.m. to 5 p.m.

Agenda: To review and evaluate cooperative agreement applications.

Place: National Institutes of Health, Two Democracy Plaza, 6707 Democracy Boulevard, Bethesda, MD 20892, (Telephone Conference Call).

Contact Person: Lakshmanan Sankaran, PhD, Scientific Review Administrator, Review Branch, DEA, NIDDK, Room 754, 6707 Democracy Boulevard, National Institutes of Health, Bethesda, MD 20892-6600, (301) 594-7799, ls38z@nih.gov.

Name of Committee: National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel, Molecular Therapy Core Centers.

Date: August 5-6, 2003.

Time: 8 a.m. to 3 p.m.

Agenda: To review and evaluate grant applicants.

Place: Embassy Suites—BWI Airport, 1300 Concourse Drive, Linthicum, MD 21090.

Contact Person: Dan E. Matsumoto, PhD, Scientific Review Administrator, Review Branch, DEA, NIDDK, Room 749, 6707 Democracy Boulevard, National Institutes of Health, Bethesda, MD 20892-6600, (301) 594-8894, matsumotod@extra.niddk.nih.gov.

(Catalogue of Federal Domestic Assistance Program Nos. 93.847, Diabetes, Endocrinology and Metabolic Research; 93.848, Digestive Diseases and Nutrition Research; 93.849, Kidney Diseases, Urology and Hematology Research, National Institutes of Health, HHS)

Dated: June 27, 2003.

LaVerne Y. Stringfield,

Director, Office of Federal Advisory Committee Policy.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

Evaluation of the CMHS/CSAT Collaborative Program on Homeless Families: Women with Psychiatric, Substance Use, Or Co-Occurring Disorders and Their Dependent Children, Phase II—(OMB No. 0930-0223, Revision)—SAMHSA's Center for Mental Health Services and Center for Substance Abuse Treatment, through a set of cooperative agreements, are conducting a longitudinal, multi-site evaluation study assessing mental health, substance abuse, and trauma interventions received by homeless mothers with psychiatric, substance use, or co-occurring disorders and their dependent children. The study will advance knowledge on appropriate and effective approaches to improving families' residential stability, overall functioning, and decreased risk for violence.

SAMHSA currently has OMB approval for data collection from approximately 1,600 participants

recruited from eight sites. At each site, a documented treatment intervention is tested in comparison to an alternative treatment condition. Participants are interviewed at baseline (within two weeks of entering a program) as well as three additional times (3 months after program entry, 9 months after program entry, and 15 months after program entry). Trained interviewers administer the interviews to participating mothers. Information on the children is obtained from the mother. This revision will add several questions to the 15-month interview to determine awareness and use of the Earned Income and Child Tax Credits.

Key outcomes for the mothers are increased residential stability, decreased substance use, decreased psychological distress, improved mental health functioning, increased trauma recovery, improved health, improved functioning as a parent, and decreased personal violence. Outcomes for the children are reduced emotional/behavioral problems and improved school attendance.

Approval is also being sought for a coordinated set of interviews assessing the key ingredients of each program will supplement the participant data collection during the baseline timeframe. The purpose of the program ingredients interviews, administered in a one-time case study protocol format, is to systematically describe each treatment and comparison intervention with the same set of variables at comparable points in treatment. This case study protocol will examine the intervention and comparison program models, staffing, structure, goals, and services, and will include vignettes describing actual families referred to the programs. In-person interviews of program directors, program line staff, and consumers will be administered in either focus group format or through one-on-one sessions. The case study protocol will be geared towards obtaining a standard set of information from each site. If some of these data are available from other sources or do not apply at a particular site, the protocol will be shortened.

The estimated response burden is as follows:

| Instrument | Number of respondents | Responses per respondent | Burden per response (hrs) | Total burden hours |
|---|-----------------------|--------------------------|---------------------------|--------------------|
| Currently—Approved Client Instrument (3-yr. annual average) | 2,280 | | | 2,503 |
| Additional questions—15-month interview | 1,450 ¹ | 1 | .05 | 73 |
| Pre-Site Visit Questions: Program Managers | 22 | 1 | 2.0 | 44 |
| Pre-Site Visit Questions: Program Line Staff | 14 | 1 | 1.0 | 14 |
| Interview: Program Managers | 22 | 1 | 1.0 | 22 |
| Focus Group: Program Line Staff | 100 | 1 | 1.67 | 167 |
| Interview: Unique Staff | 22 | 1 | 1.0 | 22 |
