SUPPLEMENTARY INFORMATION:

Background

On March 3, 2003, the Department published in the *Federal Register* (68 FR 9974) a notice of "Opportunity To Request Administrative Review" of the antidumping duty order on stainless steel bar from the United Kingdom for the period August 2, 2001, through February 28, 2003. On March 28 and 31, 2003, Firth Rixson Special Steels Limited (FRSS) and the petitioners,¹ respectively, requested an administrative review of FRSS's sales for the above-mentioned period. Also on March 31, 2003, Corus Engineering Steels Limited (CES) requested an administrative review of its sales for this period. On April 21, 2003, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel bar from the United Kingdom with respect to these companies. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 68 FR 19498.

Partial Rescission of Review

On June 26, 2003, CES timely withdrew its request for an administrative review of its sales during the above-referenced period. Section 351.213(d)(1) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request within 90 days of the date of publication of notice of initiation of the requested review. In this case, CES has withdrawn its request for review within the 90-day period. We have received no other submissions regarding CES's withdrawal of its requests for review. Therefore, we are rescinding in part this review of the antidumping duty order on stainless steel bar from the United Kingdom with respect to CES. This review will continue with respect to FRSS.

This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

¹ The petitioners are Carpenter Technology Corporation; Crucible Specialty Metals Division, Crucible Materials Corporation; Electralloy Corporation, a Division of G.O. Carlson, Inc.; and Slater Steels Corporation, Specialty Alloys Division.

Postponement of Final Results of Administrative Review

On March 10, 2003, the Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on synthetic indigo from the People's Republic of China with respect to Liyang Skyblue Chemical Co., Ltd. The current deadline for the final results in this review is July 8, 2003. In accordance with section 751(a)(3)(A) of the Tariff Act of 1930 ("the Act"), as amended, the Department finds that it is not practicable to complete this administrative review within the original time frame due to complex surrogate value issues. Thus, the Department is extending the time limit for completion of the final results by 60 days. The final results will now be due by September 8, 2003.
