

following: (i) The amount of the awarded NMTC Allocation; (ii) the approved uses of the awarded NMTC Allocation (e.g., loans to or equity investments in Qualified Active Low-Income Businesses or loans to or equity investments in other CDEs); (iii) the approved service area(s) in which the proceeds of Qualified Equity Investments may be used; (iv) the time period by which the applicant may obtain Qualified Equity Investments from investors; and (v) reporting requirements for all applicants receiving NMTC Allocations. If an applicant has represented in its NMTC allocation application that it intends to invest substantially all of the proceeds from its investors in businesses in which persons unrelated to the applicant hold a majority equity interest, the Allocation Agreement will contain a covenant whereby said applicant agrees that it will invest substantially all of said proceeds in businesses in which persons unrelated to the applicant hold a majority equity interest.

In addition to entering into an Allocation Agreement, each applicant selected to receive a NMTC Allocation must furnish to the Fund an opinion from its legal counsel, the content of which will be further specified in the Allocation Agreement, to include, among other matters, an opinion that an applicant (and its Subsidiary transferees, if any): (i) Is duly formed and in good standing in the jurisdiction in which it was formed and/or operates; (ii) has the authority to enter into the Allocation Agreement and undertake the activities that are specified therein; (iii) has no pending or threatened litigation that would materially affect its ability to enter into and carry out the activities specified in the Allocation Agreement; and (iv) is not in default of its articles of incorporation, bylaws or other organizational documents, or any agreements with the Federal government.

VII. Monitoring

The Fund will collect information, on at least an annual basis, from all applicants that are awarded NMTC Allocations and/or are recipients of Qualified Low-Income Community Investments, including such audited financial statements and opinions of counsel as the Fund deems necessary or desirable, in its sole discretion. The Fund will use such information to monitor each Allocatee's compliance with the provisions of its Allocation Agreement and to assess the impact of the NMTC Program in Low-Income Communities. The Fund may also provide such information to the IRS in

a manner consistent with IRC section 6103 so that the IRS may determine, among other things, whether the Allocatee has used substantially all of the proceeds of each Qualified Equity Investment raised through its NMTC Allocation to make Qualified Low-Income Community Investments. The Allocation Agreement shall further describe the Allocatee's reporting requirements.

The Fund reserves the right, in accordance with applicable Federal law and if authorized, to charge allocation reservation and/or compliance monitoring fees to all entities receiving NMTC Allocations. Prior to imposing any such fee, the Fund will publish additional information concerning the nature and amount of the fee.

VIII. Information Session
