SUPPLEMENTARY INFORMATION:

I. Extension of Comment Period

OSHA announced publication of its draft Ergonomics for the Prevention of Musculoskeletal Disorders: Guidelines for Poultry Processing in the **Federal Register** on June 4, 2003 (68 FR 33536). In that notice, the Agency provided the public with sixty (60) days to submit written comments, until August 4, 2003. Several interested persons requested that OSHA provide additional time to submit written comments on the draft

guidelines. In light of the interest expressed by the public, and to provide a similar extension to that previously provided on OSHA's draft ergonomics guidelines for the retail grocery industry, OSHA is providing an additional forty-five (45) days for comment. Accordingly, written comments must now be submitted by September 18, 2003.

II. Submission of Comments and Internet Access to Comments

You may submit comments in response to this document by (1) hard copy, (2) fax transmission (facsimile), or (3) electronically through the OSHA Web page. You may supplement electronic submissions by uploading document files electronically. If you wish to mail additional materials in reference to an electronic submission, you must submit three copies of them to the OSHA Docket Office at the address above. The additional materials must clearly identify your electronic comments by name, date, subject and docket number so we can attach them to your comments. Because of security-related procedures the use of regular mail may cause a significant delay in the receipt of comments. Please contact the OSHA Docket Office at (202) 693-2350 (TTY (877) 889-5627) for information about security procedures concerning the delivery of materials by express delivery, hand delivery and messenger service.

All comments and submissions will be available for inspection and copying at the OSHA Docket Office at the above address. Comments and submissions will be posted on OSHA's Web page at www.osha.gov. OSHA cautions you about submitting personal information such as social security numbers, date of birth, etc. Contact the OSHA Docket Office at (202) 693-2350 (TTY (877) 889-5627) for information about materials not available through the OSHA Web page and for assistance in using the internet to locate docket submissions.
