SUPPLEMENTARY INFORMATION:

Programs Affected

This program is listed in the Catalog of Federal Domestic Assistance under Number 10.446. This program is not subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials.

Paperwork Reduction Act

The paperwork burden has been cleared by the Office of Management and Budget (OMB) under OMB Control Number 0575-0180.

Background

Congress created the RCDI in fiscal year (FY) 2000 to develop the capacity and ability of nonprofit organizations, low-income rural communities, or Federally recognized tribes to undertake projects related to housing, community facilities, or community and economic development in rural areas. Numerous changes have been made each year since. Congress appropriated \$6 million in FY 2003 for the RCDI. Qualified private and public (including tribal) intermediary organizations proposing to carry out financial and technical assistance programs will be eligible to receive the funding. The intermediary will be required to provide matching funds in an amount at least equal to the RCDI grant.

Definitions for RCDI Purposes

Agency—the Rural Housing Service (RHS) or its successor.

Beneficiary—entities or individuals that receive benefits from assistance provided by the recipient.

Capacity—the ability of a recipient to finance and implement housing, community facilities, or community and economic development projects.

Federally recognized tribes—tribal entities recognized and eligible for funding and services from the Bureau of Indian Affairs, based on the notice in the **Federal Register** published by the Bureau of Indian Affairs on July 12, 2002, volume 67, number 134, page 46328. Tribally Designated Housing Entities are eligible RCDI recipients.

Financial assistance—Funds used by the intermediary to support the recipient's program, including funds that pass through the intermediary to the recipient for eligible RCDI purposes.

Funds—the RCDI grant and matching money.

Intermediary—a qualified private, nonprofit, or public (including tribal) organization that provides financial and technical assistance to multiple recipients. The applicant entity must have been organized for a minimum of 3 years.

Low-income community—an authority, district, economic development authority, regional council, or unit of government representing an incorporated city, town, village, county, township, parish, or borough. The location of the low-income community office that will be receiving the financial and technical assistance must be in a community with a median household income at, or below, 80 percent of either the State or national median household income.

Matching funds—cash or confirmed funding commitments. Matching funds

must be at least equal to the grant amount. These funds can only be used for eligible RCDI activities. In-kind contributions cannot be used as matching funds.

Nonprofit organization—a private, community-based housing or community development entity with evidence of their nonprofit status. Examples of valid documentation of nonprofit status include, but are not limited to, a letter from the Internal Revenue Service (IRS) or a confirming certificate from the Secretary of State where the entity is located.

Recipient—the entity that receives the financial and technical assistance from the intermediary. The recipient must be a nonprofit organization, a low-income rural community, or a Federally recognized tribe.

Rural and rural area—a city, town, or unincorporated area that has a population of 50,000 inhabitants or less, other than urbanized areas immediately adjacent to a city, town, or unincorporated area that has a population in excess of 50,000 inhabitants.

Technical assistance—skilled help in improving the recipient's abilities in the areas of housing, community facilities, or community and economic development. The Agency will determine whether a specific activity qualifies as technical assistance.

1. The recipient and beneficiary, but not the intermediary, must be located in an eligible rural area. The applicable Rural Development State Office can assist in determining the eligibility of an area. A listing of Rural Development State Offices is included in this notice.

2. The name and location of recipients must be included in the grant application.

3. The recipients must be nonprofit organizations, low-income rural communities, or federally recognized tribes based on the RCDI definitions of these groups.

4. Documentation must be submitted to verify recipient eligibility. Acceptable documentation varies depending on the type of recipient: A letter from the IRS, confirming certificate from the Secretary of State, or other valid documentation of nonprofit status is required for nonprofit recipients; for low-income community recipients, the Agency requires (a) evidence the entity is a public body and (b) census data verifying that the median household income of the community where the office receiving the financial and technical assistance is located is at, or below, 80 percent of the State or national median household income; for Federally recognized tribes, the Agency needs the page listing their

name from the current **Federal Register** list of tribal entities recognized and eligible for funding services (see the definition of Federally recognized tribes for details on this list).

5. Individuals cannot be recipients.

6. The intermediary must provide matching funds at least equal to the amount of the grant.

7. The intermediary must provide a program of financial and technical assistance to the recipient.

8. The intermediary organization must have at least 3 years prior experience working with nonprofit organizations, low-income rural communities, or tribal organizations in the areas of housing, community facilities, or community and economic development.

9. The respective minimum and maximum grant amount per intermediary is \$50,000 and \$500,000.

10. Proposals must be structured to utilize the grant funds within 3 years from the date of the award.

11. Each intermediary, whether singularly or jointly, may only submit one application for RCDI funds under this NOFA unless the intermediary's participation is limited to providing all or part of the matching funds.

12. Recipients can participate in more than one RCDI application; however, after grant selections are made, the recipient can only participate in multiple RCDI grants if the type of financial and technical assistance they will receive is not duplicative.

13. The intermediary and the recipient cannot be the same entity. The recipient can be a related entity to the intermediary, if it meets the definition of a recipient.

14. A nonprofit recipient must provide evidence that it is a valid nonprofit when the intermediary applies for the RCDI grant. Organizations with pending requests for nonprofit designations are not eligible.

15. If the recipient is a low-income community, identify the unit of government to which the financial and technical assistance will be provided, e.g., town council or village board. The financial and technical assistance must be provided to the organized unit of government representing that community, not the community at large.

16. Nonprofits located in a rural area that is also a census designated place (CDP) are eligible. CDPs are not considered eligible rural areas under low-income communities because they do not have a unit of government to receive the financial and technical assistance.

Eligible Fund Uses

Fund uses must be consistent with the RCIDI purpose (see "Background" section of this notice). A nonexclusive list of eligible grant uses includes the following:

1. Provide financial and technical assistance to develop recipients' capacity and ability to undertake projects related to housing, community facilities, or community and economic development, *i.e.*, the intermediary hires a staff person to provide technical assistance to the recipient or the recipient hires a staff person, under the supervision of the intermediary, to carry out the financial and technical assistance provided by the intermediary.
2. Develop the capacity of recipients to conduct community development programs, *e.g.*, homeownership education or training for minority business entrepreneurs.
3. Develop the capacity of recipients to conduct development initiatives, *e.g.*, programs that support micro-enterprise and sustainable development.
4. Increase leveraging ability and access to alternative funding sources by providing training and staffing.
5. Provide the financial and technical assistance component for essential community facilities projects.
6. Assist recipients in completing pre-development requirements for housing, community facilities, or community and economic development projects by providing resources for professional services, *e.g.*, architectural, engineering, or legal.
7. Improve recipient's organizational capacity by providing training and resource material on developing strategic plans, board operations, management, financial systems, and information technology.
8. Purchase computers, software, and printers at the recipient level.
9. Provide funds to recipients for training-related travel costs and training expenses related to RCIDI.

Ineligible Fund Uses

1. Funding a revolving loan fund.
2. Construction (in any form).
3. Intermediary preparation of strategic plans for recipients.
4. Funding illegal activities.
5. Grants to individuals.
6. Funding a grant where there may be a conflict of interest, or an appearance of a conflict of interest, involving any action by the Agency.
7. Paying obligations incurred before the beginning date or after the ending date of the grant agreement.
8. Purchasing real estate.
9. Improvement or renovation of the grantee's office space or for the repair or

maintenance of privately owned vehicles.

10. Any other purpose prohibited in 7 CFR parts 3015, 3016, and 3019, as applicable.

11. Funds cannot be used for recipient's general operating costs.
12. Using grant or matching funds for Individual Development Accounts.

Program Examples

The purpose of this initiative is to develop or increase the recipient's capacity through a program of financial and technical assistance to perform in the areas of housing, community facilities, or community and economic development. Strengthening the recipient's capacity in these areas will benefit the communities they serve. The RCIDI structure requires the intermediary (grantee) to provide a program of financial and technical assistance to recipients. The recipients will, in turn, provide programs to their communities (beneficiaries). Following are examples of eligible and ineligible purposes under the RCIDI program. These examples are illustrative and are not meant to limit the activities proposed in the application. Activities that meet the objective of the RCIDI program will be considered eligible.

1. The intermediary must work directly with the recipient, not the beneficiaries. As an example: The intermediary provides training to the recipient on how to conduct homeownership education classes. The recipient then provides ongoing homeownership education to the residents of the community—the ultimate beneficiaries. This "train the trainer" concept fully meets the intent of this initiative. The intermediary is providing financial and technical assistance that will build the recipient's capacity by enabling them to conduct homeownership education classes for the public. This is an eligible purpose. However, if the intermediary directly provided homeownership education classes to individuals in the recipient's service area, this would not be an eligible purpose because the recipient would be bypassed.

2. If the intermediary is working with a low-income community as the recipient, the intermediary must provide the financial and technical assistance to the entity that represents the low-income community and is identified in the application. Examples of entities representing a low-income community are a village board or a town council. If the intermediary provides technical assistance to the board of directors of the low-income community on how to establish a cooperative, this

would be an eligible purpose. However, if the intermediary works directly with individuals from the community to establish the cooperative, this is not an eligible purpose. The recipient's capacity is built by learning skills that will enable them to support sustainable economic development in their communities on an ongoing basis.

3. The intermediary may provide technical assistance to the recipient on how to create and operate a revolving loan fund (RLF). The intermediary may not monitor or operate the RLF. RCIDI funds, including matching funds, cannot be used to fund RLFs.

What and Where to Submit

The original application package must be submitted to: William Kenney, Rural Housing Service, STOP 0787, 1400 Independence Ave. SW., Washington, DC 20250-0787, and a copy of the application must be submitted to the Rural Development State Office where the applicant is located. A listing of Rural Development State Offices is included in this notice. Applications sent electronically or by facsimile will not be accepted.

When to Submit

The deadline for receipt of an application is 4 p.m. e.s.t. on October 28, 2003. The application deadline date and hour are firm and apply to submission of the original application to the National Office in Washington, DC. The Agency will not consider any application received after the deadline. A listing of Rural Development State Offices, their addresses, telephone numbers, and person to contact is provided elsewhere in this notice.

Application Selection Process

Rating and ranking. Applications will be rated and ranked by a review panel based on the "Evaluation Criteria and Weights" contained in this notice. If there is a tied score after the applications have been rated and

ranked, the tie will be resolved by reviewing the scores for "Building Capacity" and the applicant with the highest score in that category will receive a higher ranking. If the scores for "Building Capacity" are the same, the scores will be compared for the next criterion, in sequential order, until one highest score can be determined.

Initial screening. The Agency will screen each application to determine eligibility during the period immediately following the application deadline. Listed below are many of the reasons for rejection from the previous funding rounds to help the applicant prepare a better application. The following reasons for rejection are not all inclusive; however, they represent the majority of the applications previously rejected.

1. Recipients were not located in eligible rural areas based on the definition in this notice.

2. Applicants failed to provide evidence of recipient's status, *i.e.*, documentation supporting nonprofit designation.

3. Application did not follow the RCDI structure with an intermediary and recipients.

4. Recipients were not identified in the application.

5. Recipients cannot be individuals.

6. Intermediary did not provide evidence it had been incorporated for at least 3 years as the applicant entity.

7. Applicants failed to address the "Evaluation Criteria."

8. The purpose of the proposal did not qualify as an eligible RCDI purpose.

9. Funds cannot be used for construction or renovations.

10. Financial and technical assistance cannot be provided directly to individuals.

Rural Development State Office Responsibilities During the Application Process

The State Office will review the application and provide the State Director's written comments and recommendations to the National Office. Comments must include the following:

1. Determine if each recipient listed in the application is located in an eligible rural area based on the RCDI definition of rural.

2. Consult with other program areas regarding their experience with the intermediary or recipients, if any.

3. Determine the compatibility of the application with the goals of the State's strategic plan.

4. Provide comments or recommendations pertaining to the application.

Comments must be submitted to William Kenney within 3 weeks from the RCDI application deadline.

Evaluation Criteria and Weights

Applications will be evaluated using the following criteria and weights:

1. Building Capacity—maximum 60 points

The applicant must demonstrate how they will improve the recipients' capacity, through a program of financial and technical assistance, as it relates to the RCDI purposes. Capacity-building technical assistance should provide new functions to the recipients or expand existing functions that will enable the recipients to undertake projects in the areas of housing, community facilities, or community and economic development that will benefit the community. The program of financial and technical assistance provided, how the program is delivered, and the measurability of the program's effectiveness will determine the merit of the application. All applications will be competitively ranked with the applications providing the most improvement in capacity development and measurable activities being ranked the highest. Capacity-building technical assistance may include, but is not limited to: training to conduct community development programs, *e.g.*, homeownership education, or the establishment of minority business entrepreneurs, cooperatives, or micro-enterprises; organizational development, *e.g.*, assistance to develop or improve board operations, management, and financial systems; instruction on how to develop and implement a strategic plan; instruction on how to access alternative funding sources to increase leveraging opportunities; staffing, *e.g.*, hiring a person at intermediary or recipient level to provide technical or financial assistance to recipients; and purchase technology equipment at the recipient level, *e.g.*, computers, printers, and software.

The narrative response must:

- a. Describe the type of financial and technical assistance to be provided to the recipients and the activities that will be conducted to deliver the financial and technical assistance;
- b. Explain how financial and technical assistance will develop or increase the recipient's capacity. Indicate whether a new function is being developed or if existing functions are being expanded or performed more effectively;
- c. Identify which RCDI purpose areas will be addressed with this assistance:

housing, community facilities, or community and economic development; and

d. Describe how the results of the financial and technical assistance will be measured. What benchmarks will be used to measure effectiveness?

Scoring—maximum of 60 points

1. Type of financial and technical assistance and implementation activities. 0–35 points

b. Community facilities, or

c. Community and economic development.

Population is based on the 2000 census data for the community in which the recipient is located. Community is defined for scoring purposes as a city, town, village, county, parish, borough, or census-designated place where the recipient's office is physically located. The applicant must submit a copy of the census data from the following website to verify the population figures used for each recipient. The data can be accessed on the Internet at www.census.gov; click on "American FactFinder" from the left menu; click on drop-down menu for "Show Me"; select "Population, Race and Hispanic or Latino under Geographic Comparison Tables (GCT)"; click on drop-down menu under "for"; select "State—and the type of State geographic subdivision"; select State from next drop-down menu; click on "Go"; print information for submission and highlight recipient locations. The average population of the recipient locations will be used and will be scored as follows:

Population Scoring 5,000 or less 30 points 5,001 to 10,000 20 points 10,001 to 20,000 10 points 20,001 to 50,000 5 points

4. Income—maximum 30 points

The average of the median household income for the communities where the recipients are physically located will determine the points awarded. Applicants may compare the average recipient median household income to the State median household income or the national median household income, whichever yields the most points. The national median household income to be used is \$41,994. The applicant must submit a copy of the income data from the following website to verify the income for each recipient. The data being used is from the 2000 census. The data can be accessed from the Internet at www.census.gov; click on "American FactFinder" from left menu; click on drop-down menu for "Show Me"; select "Economic Characteristics: Employment, Income, Poverty and More"; click on drop-down menu under "for"; select "a city or town"; select State from next drop-down menu; select the city or town from the next drop-down menu; click on "Go"; print information for submission. Points will be awarded as follows:

Average Recipient Median Income Is: Scoring

Less than 60 percent of the State or national median household income 30 points

Between 60 and 70 percent of the State or national median household income 20 points

Greater than 70 percent of the State or national median household income 10 points

5. Innovative Approach—maximum 20 points

The applicant must demonstrate that it has developed an innovative approach that can be used by other organizations as a model. To be considered innovative, the approach must propose an easily replicated new or useful service or method of providing service to recipients that builds their capacity to improve their communities in the areas of housing, community facilities, or community and economic development. Points will be awarded to applications that have the highest score on the following factors:

a. Ease of replication by nonprofit organizations, low-income rural communities, or Federally recognized tribes;

b. Uniqueness of proposal;

c. Financial return to rural communities; and

d. Need by nonprofit organization, low-income rural community, or Federally recognized tribe.

If warranted, up to 20 applicants will be eligible to receive points in this category. The application ranking and scoring are:

Ranking Scoring 10 highest-ranking applications for this criterion 20 points
Next 10 highest-ranking applications for this criterion 10 points

If there is a tied score, it will be resolved by using the format listed under "Rating and Ranking" under "Application Selection Process" elsewhere in this notice.

6. Soundness of Approach—maximum 50 points

The applicant can receive up to 50 points for soundness of approach. The overall proposal will be considered under this criterion. Applicants must list the page numbers in the application that address these factors.

a. The ability to provide the proposed financial and technical assistance based on prior accomplishments has been demonstrated. 0–5 points
b. The proposed financial and technical assistance program is clearly stated and the applicant has defined how this proposal will be implemented. The plan for implementation is viable. 0–20 points

The applicant must state the amount of the grant request. After applications have been evaluated and awarded points under the first 6 criteria, the Agency may award 20 points per application to promote dispersion of grant awards between the range of \$50,000 to \$500,000.

Deliverables

Grant funds and matching funds must be used in equal proportions. This does not mean funds have to be used equally by line item. The request for reimbursement and supporting documentation must show that RCDI fund usage does not exceed the cumulative amount of matching funds used. Grant funds will be disbursed pursuant to relevant provisions of 7 CFR parts 3015, 3016, and 3019, as applicable. Matching funds must be used to support the overall purpose of the RCDI program. RCDI funds will be disbursed on a reimbursable basis only. No advances will be made. Matching funds cannot be expended prior to execution of the RCDI Grant Agreement. No reimbursement will be made for any funds expended prior to execution of the RCDI Grant Agreement unless the grantee has requested and received written Agency approval of the costs prior to the actual expenditure. This exception is applicable for up to 90 days prior to grant closing and only applies

to grantees that have received written approval but have not executed the RCDI Grant Agreement. The Agency cannot retroactively approve reimbursement for expenditures prior to execution of the RCDI Grant Agreement.

Grant Amounts

In the event the applicant is awarded a grant that is less than the amount requested, the applicant will be required to modify its application to conform to the reduced amount before execution of the grant agreement. The Agency reserves the right to reduce or de-obligate the award if acceptable modifications are not submitted by the awardee within 15 working days from the date the request for modification is made. Any modifications must be within the scope of the original application.

Program Requirements

1. A Civil Rights Impact Analysis Certification must be completed by the Agency prior to grant approval.

2. A pre-award compliance review will be conducted by the Agency prior to closing the grant.

3. The intermediary and recipient must comply with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Executive Order 12250.

4. The grantee must comply with policies, guidance, and requirements as described in the following applicable OMB Circulars and Code of Federal Regulations:

a. OMB Circular No. A–87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments);

b. OMB Circular No. A–122 (Cost Principles for Nonprofit Organizations);

c. OMB Circular No. A–133 (Audits of States, Local Governments, and Non-Profit Organizations);

d. 7 CFR part 3015 (Uniform Federal Assistance Regulations);

e. 7 CFR part 3016 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments); and

f. 7 CFR part 3019 (Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations).

Program Restrictions

Meeting expenses. In accordance with 31 U.S.C. 1345, "Expenses of Meetings," appropriations may not be used for travel, transportation, and subsistence expenses for a meeting. RCDI grant funds cannot be used for these meeting-

related expenses. Matching funds may be used to pay for these expenses. RCDI funds may be used to pay for a speaker as part of a program, equipment to facilitate the program, and the actual room that will house the meeting. RCDI funds can be used for travel, transportation, or subsistence expenses for training and technical assistance purposes. Any meeting or training not delineated in the application must be approved by the Agency to verify compliance with 31 U.S.C. 1345. Travel and per diem expenses will be similar to those paid to Agency employees. Rates are based upon location. Rate information can be accessed on the Internet at <http://policyworks.gov/perdiem>. Grantees and recipients will be restricted to traveling coach class on common carrier airlines. Grantees and recipients may exceed the Government rate for lodging by a maximum of 20 percent. Meals and incidental expenses will be reimbursed at the same rate used by Agency employees. Mileage and gas reimbursement will be the same rate used by Agency employees. The current mileage and gas reimbursement rate is 36.5 cents per mile.

Grantee Requirements

Grantees will be required to do the following.

1. Execute a Rural Community Development Initiative Grant Agreement, which is published at the end of this NOFA.

Rural Community Development Initiative Grant Agreement

[OMB No. 0575-0180]

THIS GRANT AGREEMENT

(Agreement), effective the date the Agency official signs the document, is a contract for receipt of grant funds under the Rural Community Development Initiative (RCDI).

BETWEEN _____

a private or public or tribal organization, (Grantee or Intermediary) and the United States of America acting through the Rural Housing Service (the Agency), Department of Agriculture, (Grantor), for the benefit of recipients listed in Grantee's application for the grant.

WITNESSETH:

The principal amount of the grant is \$ _____ (Grant Funds). Matching funds, in an amount equal to the grant funds, will be provided by Grantee. The Grantee and Grantor will execute Form RD 1940-1, "Request for Obligation of Funds."

WHEREAS,

Grantee will provide a program of financial and technical assistance to develop the capacity and ability of nonprofit organizations, low-income rural communities, or federally recognized tribes to undertake projects related to housing, community facilities, or community and economic development in rural areas;

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0575-0180. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and reviewing the collection of information.

NOW, THEREFORE, in consideration of the grant;

Grantee agrees that Grantee will:

A. Provide a program of financial and technical assistance in accordance with the proposal outlined in the application, (see Attachment A), the terms of which are incorporated with this Agreement and must be adhered to. Any changes to

the approved program of financial technical assistance must be approved in writing by the Grantor;

B. Use Grant Funds only for the purposes and activities specified in the application package approved by the Agency including the approved budget. Any uses not provided for in the approved budget must be approved in writing by the Agency in advance;

C. Charge expenses for travel and per diem that will not exceed the rates paid Agency employees for similar expenses. Grantees and recipients will be restricted to traveling coach class on common carrier airlines. Lodging rates may exceed the Government rate by a maximum of 20 percent. Meals and incidental expenses will be reimbursed at the same rate used by Agency employees, which is based upon location. Mileage and gas will be reimbursed at the existing Government rate. Rates can be accessed on the Internet at <http://policyworks.gov/perdiem>;

D. Charge meeting expenses in accordance with 31 U.S.C. 1345. Grant funds may not be used for travel, transportation, and subsistence expenses for a meeting. Matching funds may be used to pay these expenses. Any meeting or training not delineated in the application must be approved by the Agency to verify compliance with 31 U.S.C. 1345.

E. Request quarterly reimbursement for grant activities during the previous quarter. Reimbursement will be made on a pro rata basis with matching funds. Form SF 270, "Request for Advance or Reimbursement," will be used to request reimbursement. A project performance report, in narrative form, and a financial report, reflecting the activities conducted, must accompany the request for reimbursement. Matching fund usage must be included in all reports.

F. Provide periodic reports as required by the Grantor. A financial status report and a project performance report will be required on a quarterly basis (due 30 working days after each calendar quarter). The financial status report must show how grant funds and matching funds have been used to date. A final report may serve as the last quarterly report. Grantees shall constantly monitor performance to ensure that time schedules are being met and projected goals by time periods are being accomplished. The project performance reports shall include, but are not limited to, the following:

1. Describe the activities that the funds reflected in the financial status report were used for;

2. A comparison of actual accomplishments to the objectives for that period;

3. Reasons why established objectives were not met, if applicable;

4. Problems, delays, or adverse conditions which will affect attainment of overall program objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular objectives during established time periods. This disclosure shall be accomplished by a statement of the action taken or planned to resolve the situation;

5. Objectives and timetables established for the next reporting period;

6. If available, a summary of the race, sex, and national origin of the recipients and a summary from the recipients of the race, sex, and national origin of the beneficiaries; and

7. The final report will also address the following:

(a) What have been the most challenging or unexpected aspects of this program?

(b) What advice would you give to other organizations planning a similar program? Please include strengths and limitations of the program. If you had the opportunity, what would you have done differently?

(c) Are there any post-grant plans for this project? If yes, how will they be financed?

(d) If an innovative approach was used successfully, the grantee must describe their program in detail for replication by other organizations and communities.

G. Consider potential recipients without discrimination as to race, color, religion, sex, national origin, age, marital status, sexual orientation, or physical or mental disability;

H. Ensure that any services or training offered by the recipient, as a result of the financial and technical assistance received, must be made available to all persons in the recipient's service area without discrimination as to race, color, religion, sex, national origin, age, marital status, sexual orientation, or physical or mental disability at reasonable rates, including assessments, taxes, or fees. Programs and activities must be delivered from accessible locations. The recipient must ensure that, where there are non-English speaking populations, materials are provided in the language that is spoken;

I. Ensure recipients are required to place nondiscrimination statements in advertisements, notices, pamphlets and brochures making the public aware of their services. The Grantee and recipient are required to provide widespread

outreach and public notification in promoting any type of training or services that are available through grant funds;

J. The Grantee must collect and maintain data on recipients by race, sex, and national origin. The grantee must ensure that their recipients also collect and maintain data on beneficiaries by race, sex, and national origin as required by Title VI of the Civil Rights Act of 1964 and must be provided to the Agency for compliance review purposes;

K. Upon any default under its representations or agreements contained in this instrument, Grantee, at the option and demand of Grantor, will immediately repay to Grantor any legally permitted damages together with any legally permitted interest from the date of the default. At Grantor's election, any default by the Grantee will constitute termination of the grant thereby causing cancellation of Federal assistance under the grant. The provisions of this Agreement may be enforced by Grantor, without regard to prior waivers of this Agreement, by proceedings in law or equity, in either Federal or State courts as may be deemed necessary by Grantor to ensure compliance with the provisions of this Agreement and the laws and regulations under which this grant is made;

L. Provide Financial Management Systems that will include:

1. Accurate, current, and complete disclosure of the financial results of each grant. Financial reporting will be on an accrual basis;

2. Records that identify adequately the source and application of funds for grant-supported activities. Those records shall contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income related to Grant Funds and matching funds;

3. Effective control over and accountability for all funds, property, and other assets. Grantees shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes;

4. Accounting records supported by source documentation; and

5. Grantee tracking of fund usage and records that show matching funds and grant funds are used in equal proportions. The grantee will provide verifiable documentation regarding matching fund usage, *i.e.*, bank statements or copies of funding obligations from the matching source.

M. Retain financial records, supporting documents, statistical records, and all other records pertinent

to the grant for a period of at least three years after grant closing except that the records shall be retained beyond the three-year period if audit findings have not been resolved. Microfilm or photocopies or similar methods may be substituted in lieu of original records. The Grantor and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the Grantee's which are pertinent to the specific grant program for the purpose of making audits, examinations, excerpts, and transcripts;

N. Provide an A-133 audit report if \$300,000 or more of Federal funds are expended in a 1-year period. If Federal funds expended during a 1-year period are less than \$300,000 and there is an outstanding loan balance of \$300,000 or more, an audit in accordance with generally accepted government auditing standards is required. If Federal funds expended during a 1-year period are less than \$300,000 and there is an outstanding loan balance of less than \$300,000, a management report may be submitted on Forms RD 442-2, "Statement of Budget, Income and Equity," and 442-3, "Balance Sheet";

O. Not encumber, transfer, or dispose of the equipment or any part thereof, acquired wholly or in part with Grantor funds without the written consent of the Grantor; and

P. Not duplicate other program activities for which monies have been received, are committed, or are applied to from other sources (public or private). Grantor agrees that:

A. It will make available to Grantee for the purpose of this Agreement funds in an amount not to exceed the Grant Funds. The funds will be disbursed to Grantee on a pro rata basis with the Grantee's matching funds; and

B. At its sole discretion and at any time may give any consent, deferment, subordination, release, satisfaction, or termination of any or all of Grantee's grant obligations, with or without valuable consideration, upon such terms and conditions as Grantor may determine to be:

1. Advisable to further the purpose of the grant or to protect Grantor's financial interest therein; and

2. Consistent with both the statutory purposes of the grant and the limitations of the statutory authority under which it is made.

Both Parties Agree:

A. Extensions of this grant agreement may be approved by the Agency, in writing, provided in the Agency's sole discretion the extension is justified and there is a likelihood that the grantee can

accomplish the goals set out and approved in the application package during the extension period;

B. The Grantor must approve any changes in recipient or recipient composition;

C. The Grantor has agreed to give the Grantee the Grant Funds, subject to the terms and conditions established by the Grantor: PROVIDED, HOWEVER, That any Grant Funds actually disbursed and not needed for grant purposes be returned immediately to the Grantor. This agreement shall terminate 3 years from this date unless extended or unless terminated beforehand due to default on the part of the Grantee or for convenience of the Grantor and Grantee. The Grantor may terminate the grant in whole, or in part, at any time before the date of completion, whenever it is determined that the Grantee has failed to comply with the conditions of this Agreement or the applicable regulations;

D. As a condition of the Agreement, the Grantee certifies that it is in compliance with, and will comply in the course of the Agreement with, all applicable laws, regulations, Executive Orders, and other generally applicable requirements, including those contained in 7 CFR 3015.205(b), which are incorporated into this agreement by reference, and such other statutory provisions as are specifically contained herein. The Grantee will comply with title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, and Executive Order 12250;

E. The Grantee will ensure that the recipients comply with title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973 and Executive Order 12250. Each recipient must sign Form RD 400-1, "Equal Opportunity Agreement," and Form RD 400-4, "Assurance Agreement";

F. The provisions of 7 CFR part 3015, "Uniform Federal Assistance Regulations," part 3016, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," or part 3019, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations," and the fiscal year 2003 "Notice of Funds Availability (NOFA) Inviting Applications for the Rural Community Development Initiative (RCDI)" are incorporated herein and made a part hereof by reference; and

G. This Agreement may be terminated for cause in the event of default on the part of the Grantee or for convenience of the Grantor and Grantee prior to the date of completion of the grant purpose. Termination for convenience will occur

when both the Grantee and Grantor agree that the continuation of the program will not produce beneficial results commensurate with the further expenditure of funds.

IN WITNESS WHEREOF, Grantee has this day authorized and caused this Agreement to be executed by
