Gulf States Energy Investments L.P.; Notice of Issuance of Order

July 30, 2003.

Gulf States Energy Investments L.P. (GSEI) filed an application for market-based rate authority, with an accompanying tariff. The proposed tariff provides for sales of capacity and energy at market-based rates. GSEI also requested waiver of various Commission regulations. In particular, GSEI requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by GSEI.

On July 28, 2003, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34, subject to the following:

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is August 27, 2003.

Absent a request to be heard in opposition by the deadline above, GSEI is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of GSEI, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of GSEI's issuances of securities or assumptions of liability.
