DEPARTMENT OF LABOR

Employment Standards Administration

Proposed Collection; Comment Request

ACTION: Notice.

This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the

proposed collection: Pharmacy Billing Requirements. A copy of the proposed information collection request can be obtained by contacting the office listed below in the addressee section of this Notice.

DATES: Written comments must be submitted to the office listed in the addressee section below on or before October 14, 2003.

ADDRESSES: Ms. Hazel M. Bell, U.S. Department of Labor, 200 Constitution Ave., NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0418, FAX (202) 693-1451, e-mail Bell.Hazel@dol.gov. Please use only one method of transmission for comments (mail, FAX, or e-mail).

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA), 5 U.S.C. 8101, *et seq.*, the Black Lung Benefits Act (BLBA), 30 U.S.C. 901 *et seq.*, and the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 *et seq.* These Acts provide, in addition to compensation for employment-related injuries and/or illnesses, medical benefits in the form of prescription drugs dispensed by pharmacies for treatment of the compensable injury or illness. To determine whether bills submitted by pharmacies for medicinal drugs, equipment and supplies are appropriate, the FECA, BLBA, and EEOICPA programs require that the providers billing the government supply certain information. The majority of pharmacy bills submitted to OWCP are now submitted electronically using one of the industry-wide standard formats for the electronic transmission of billing data through nationwide data clearinghouses devised by the National Council for Prescription Drug Programs (NCPDP). This recent development has led OWCP to drop Form 79-1A as the required paper billing format for this information collection. However, since some pharmacy bills are still submitted using paper-based billing formats, OWCP will continue to accept the paper-based bills as long as they contain the required data elements needed to process the bills. This information collection is currently approved for use through January 31, 2004.

- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submissions of responses.
