

International, Studio City, California; and Good Machine International, Inc., New York, New York. An additional 13 firms were announced in the **Federal Register** as "companies to be deleted," but these companies were subsequently removed from the list. In the application, the Applicant inadvertently included the aforementioned 13 companies as Member companies to be deleted, but these 13 companies were not Members of 87-5A001 Certificate of Review issued on March 8, 1999.

A copy of the amended certificate will be kept in the International Trade Administration's Freedom of Information Records Inspection Facility, Room 4102, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Dated: August 7, 2003.

SUPPLEMENTARY INFORMATION:

I. Abstract

This information is collected from all laboratories, testing and calibration, that apply for NVLAP accreditation. Applicants provide the minimum information necessary to evaluate the competency of laboratories to carry out specific tests or calibrations or types of tests or calibrations. The collection is mandated by 15 CFR 285.

II. Method of Collection

An paper form application for accreditation is provided to each applicant laboratory. The application request, such information as name, address, phone and fax numbers, and contact person, and the test methods or parameters. The application must be signed by the Authorized Representative of the laboratory, committing the laboratory to comply with NVLAP's accreditation criteria. The completed application is submitted to NVLAP.
