

rule will not significantly or uniquely affect small governments, or the private sector. A Small Government Agency Plan is not required. This rule will not produce a federal mandate that may result in an expenditure by State, local, or tribal governments of \$100 million or greater in any year. The effect of this rule is to immediately provide the remaining 25 percent of fiscal year 2003 IRR Program funds to tribal governments for ongoing IRR activities and construction projects.

Takings Implications (Executive Order 12630)

With respect to Executive Order 12630, the rule does not have significant takings implications since it involves no transfer of title to any property. A takings implication assessment is not required.

Federalism (Executive Order 13132)

With respect to Executive Order 13132, the rule does not have significant Federalism implications to warrant the preparation of a Federalism Assessment. This rule should not affect the relationship between state governments and the Federal Government because this rule concerns administration of a fund dedicated to IRR projects on or near Indian reservations that has no effect on Federal funding of state roads. Therefore, the rule has no Federalism effects within the meaning of Executive Order 13132.

Civil Justice Reform (Executive Order 12988)

This rule does not unduly burden the judicial system and meets the requirements of sections 3(a) and 3(b)(2) of Executive Order 12988. This rule contains no drafting errors or ambiguity and is clearly written to minimize litigation, provide clear standards, simplify procedures, and reduce burden. This rule does not preempt any statute. We are still pursuing the TEA-21 mandated negotiated rulemaking process. The rule is not retroactive with respect to any funding from any previous fiscal year (or prospective to funding from any future fiscal year), but applies only to the remaining 25 percent of fiscal year 2003 IRR Program funding.

Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this rule does not impose record keeping or information collection requirements or the collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management and Budget under 44 U.S.C. 501 *et seq.* We already have all

of the necessary information to implement this rule.

National Environmental Policy Act

This rule is categorically excluded from the preparation of an environmental assessment or an environmental impact statement under the National Environmental Policy Act of 1969, 42 U.S.C. 4321 *et seq.*, because its environmental effects are too broad, speculative, or conjectural to lend themselves to meaningful analysis and the road projects funded as a result of this rule will be subject later to the National Environmental Policy Act process, either collectively or case-by-case. Further, no extraordinary circumstances exist to require preparation of an environmental assessment or environmental impact statement.

Consultation and Coordination With Indian Tribal Governments (Executive Order 13175)

Under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments of November 6, 2000 (65 FR 218), we have consulted with tribal representatives throughout the negotiated rulemaking process. Distributing IRR Program funds under this rule has tribal implications in that transportation planning and projects rely on this funding. Distributing funds under this rule does not impose direct compliance costs on Indian tribal governments and does not preempt tribal law. We have evaluated any potential effects on federally recognized Indian tribes and have determined that there are no potential adverse effects. We have determined that this rule preserves the integrity and consistency of the relative need formula process we have used since 1993 to distribute IRR Program funds.

The TEA-21 Negotiated Rulemaking Committee tribal representatives agreed that we use the funding method for distributing IRR Program funds we have used since 1993, for fiscal years 2000, 2001, and 2002. However, the tribal representatives disagreed about reserving IRR Program funds (approximately \$20 million from the remaining \$50 million) to distribute \$35,000 to each federally recognized tribe for ACB for fiscal year 2003 because it could not identify a source for ACB funds. We reserved ACB funds in fiscal years 2001 and 2002 and distributed \$35,000 to each federally recognized tribe in each year. For fiscal year 2003, however, since there is no consensus to provide ACB funds, the method of formula distribution of all available funds will reflect the same

distribution as in fiscal years 2000, 2001, and 2002 without reserving funds for ACB.

Highways and Roads, Indians-lands.

■ For the reasons set out in the preamble, we are amending Part 170 in Chapter I of Title 25 of the Code of Federal Regulations as follows.

PART 170—ROADS OF THE BUREAU OF INDIAN AFFAIRS

■ 1. The authority citation for part 170 continues to read as follows:

Authority: 36 Stat. 861; 78 Stat. 241, 253, 257; 45 Stat. 750 (25 U.S.C. 47; 42 U.S.C. 2000e(b), 2000e-2(i); 23 U.S.C. 101(a), 202, 204), unless otherwise noted.

■ 2. Revise § 170.4b to read as follows:

§ 170.4b What formula will BIA use to distribute the remaining 25 percent of fiscal year 2003 Indian Reservation Roads Program funds?

On August 14, 2003 we will distribute the remaining 25 percent of fiscal year 2003 IRR Program funds authorized under section 1115 of the Transportation Equity Act for the 21st Century, Public Law 105-178, 112 Stat. 154. We will distribute the funds to Indian Reservation Roads projects on or near Indian reservations using the relative need formula established and approved in January 1993. The formula has been modified to account for non-reporting states by inserting the latest data reported for those states for use in the relative need formula process.

Dated: July 31, 2003.

Acting Assistant Secretary—Indian Affairs.

33 CFR Part 100

[CGD05-03-107]

RIN 1625-AA08

Special Local Regulations for Marine Events; Atlantic Ocean, Atlantic City, NJ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary special local regulations for "Atlantic City Salutes 100th Anniversary of Powered Flight",

an aerial demonstration to be held over the waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in portions of the Atlantic Ocean adjacent to Atlantic City, New Jersey during the aerial demonstration.

DATES: This rule is effective from 10:30 a.m. on August 26, 2003 to 3 p.m. on August 27, 2003.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket CGD05-03-107 and are available for inspection or copying at Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: S. L. Phillips, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) the Coast Guard finds that good cause exists for not publishing an NPRM. The event will take place on August 26 and 27, 2003. Publishing an NPRM would be contrary to the public interest, since immediate action is needed to ensure the safety of spectator craft and other vessels transiting the event area in the Atlantic Ocean adjacent to Atlantic City, New Jersey. For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. However, advance notifications will be made to affected users of the waterway via marine information broadcasts and area newspapers.

Background and Purpose

On August 26 and 27, 2003, the Borgata Hotel will sponsor the "Atlantic City Salutes 100th Anniversary of Powered Flight". The event will consist of high performance jet aircraft performing aerial maneuvers over the waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. A fleet of spectator vessels is expected to gather nearby to view the aerial demonstration. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide for the safety of spectators and transiting vessels.

Discussion of Rule

The Coast Guard is establishing temporary special local regulations on specified waters of the Atlantic Ocean adjacent to Atlantic City, New Jersey. The regulated area includes a section of the Atlantic Ocean approximately 2.5 miles long, extending approximately 900 yards out from the shoreline. The temporary special local regulations will be enforced from 10:30 a.m. to 3 p.m. on August 26 and 27, 2003, and will restrict general navigation in the regulated area during the aerial demonstration. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area during the enforcement period.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this temporary final rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Although this regulation prevents traffic from transiting a portion of the Atlantic Ocean adjacent to Atlantic City, New Jersey during the event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via marine information broadcasts and area newspapers so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in the effected portion of the Atlantic Ocean during the event.

This rule will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for only a short period, from 10:30 a.m. to 3 p.m. on August 26 and 27, 2003. Vessels desiring to transit the event area will be able to navigate safely around the regulated area. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this temporary rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under **ADDRESSES**.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires

Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and will not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial and direct effect on one or more Indian tribes, on the relationship between the Federal Governments and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under those sections. Under figure 2–1, paragraph (34)(h), of the Instruction, an "Environmental Analysis Check List" and a "Categorical Exclusion Determination" are not required for this rule.
