

include such an ROT. Because the Exchange believes it would be cumbersome and impractical for the Options Committee to meet and vote to approve the extension of a Wheel Assignment Area each time the issue arises on the Options Floor, the Options Committee has delegated its authority to approve such changes to two Exchange Floor Officials, who would indicate their approval by signing the appropriate form and submitting the form to Market Surveillance.⁹

The proposal also includes a provision that would enable a Floor Official to remove an ROT from all Wheel participation for the remainder of the trading day, and issue a fine pursuant to the fine schedule in OFPA F-24, if an ROT who is signed-on the Wheel is away from the Wheel Assignment Area for more than a brief interval. The Exchange believes that this provision substantially reduces the likelihood that an ROT would sign onto the Wheel and then leave the crowd, or even the trading floor, thereby receiving the benefit of participating as contra-side to automatically executed trades, and receiving favorable on-floor margin treatment despite the fact that such an ROT may not even be present in the crowd or on the floor.

Other technical amendments, included to make the OFPA consistent throughout, are also proposed.

2. Statutory Basis

For these reasons, the Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act¹⁰ in general, and furthers the objectives of Section 6(b)(5)¹¹ in particular, in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and protect investors and the public interest by defining "Wheel Assignment Area" to be consistent with the current physical configuration of the Exchange's Options Floor.

⁹ Exchange By-Law Article X, Section 10-3(a) provides that each Standing Committee of the Exchange (the Options Committee is a Standing Committee) shall make such regulations for its government as it shall deem proper. By-Law Article X, Section 10-3(b) provides that each Standing Committee may appoint subcommittees as it may deem necessary for the efficient discharge of its duties. Each Options Committee member is a Floor Official, as is each member of the Options Subcommittee on Rules and Rulings. For purposes of efficiency, the Options Committee has delegated authority to these Floor Officials to discharge its on-floor duties of general supervision of the dealings of members on the options floor.
