II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it had received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In connection with the implementation of the Linkage, the Exchange proposes to add an interpretation to CBOE Rule 6.7. The proposed Interpretation .04 would provide that the Linkage, as used to send orders and other information to or from the Exchange, is a facility or service afforded by the Exchange for purposes of CBOE Rule 6.7, and that the Options Clearing Corporation ("Clearing Corporation") shall have no liability to members of the Exchange or to associated persons of the members with respect to the use, non-use or inability to use the Linkage, including, without limitation, the content of orders, trades, or other business facilitated through the Linkage, the truth or accuracy of the content of messages or other information transmitted through the Linkage, or otherwise.

2. Statutory Basis

The CBOE believes that its proposal is consistent with Section 6(b) of the Act⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that by limiting certain types of liability against the Exchange and Clearing Corporation with respect to the Linkage, Clearing Corporation will have

the capability to continue to develop and enhance the Linkage, thereby facilitating transactions in securities, removing impediments to and perfecting the mechanism of a free and open market and a national market system and protecting investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The CBOE neither solicited nor received written comments concerning the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which the CBOE consents, the Commission will:

- (A) by order approve such proposed rule change, as amended; or
- (B) institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filings will also be available for inspection and copying at

the principal office of the CBOE. All submissions should refer to File No. SR-CBOE-2003-22 and should be submitted by September 9, 2003.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷
