**SUPPLEMENTARY INFORMATION:** This is a summary of the Commission's Public Notice, CC Docket No. 96-45, released August 8, 2003. On July 10, 2003, NPCR, Inc. d/b/a Nextel Partners (Nextel Partners) filed with the Commission a petition under section 214(e)(6) of the Communications Act of 1934, as amended. In particular, Nextel Partners seeks designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered in certain rural and non-rural study areas in the state of Georgia.

Nextel Partners contends that the Georgia Public Service Commission has provided an affirmative statement that it does not regulate commercial Mobile radio service (CMRS) carriers; Nextel Partners meets all the statutory and regulatory prerequisites for ETC designation; and designating Nextel

Partners as an ETC will serve the public interest.

The petitioner must provide copies of its petition to the Georgia Public Service Commission. The Commission will also send a copy of this Public Notice to the Georgia Public Service Commission by overnight express mail to ensure that the Georgia Public Service Commission is notified of the notice and comment period.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments as follows: comments are due September 4, 2003 and reply comments are due September 18, 2003. In completing the transmittal screen, commenters should include their full name, U.S. Postal Service mailing address, and the applicable docket or rulemaking number. Parties may also submit an electronic comment by Internet e-mail. A sample form and directions will be sent in reply.

Parties who choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appears in the caption of this proceeding, commenters must submit two additional copies for each additional docket or rulemaking number. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Vistrionix, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, NE., Suite 110, Washington, DC 20002. The filing hours at this location are 8 a.m. to 7 p.m. All hand deliveries must be held together with rubber bands or fasteners.

Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. ### Agency for Healthcare Research and Quality

#### Request for Measures of Patients' Hemodialysis Care Experiences

**AGENCY:** Agency for Healthcare Research and Quality (AHRQ), HHS.

**ACTION:** Notice of request.

**SUMMARY:** The Agency of Healthcare Research and Quality (AHRQ) is soliciting the voluntary submission of instruments measuring patient perspectives of their experience with hemodialysis facilities from researchers, vendors, stakeholders and other interested parties. AHRQ and the Centers for Medicare & Medicaid Services (CMS) have set as a priority the development of a standardized survey that may be used to make widely available, comparable measurements of hemodialysis patient experiences. Therefore, AHRQ is assessing the feasibility of creating such a standardized instrument and the nature

and scope of the work to be done. As part of the feasibility study, AHRQ is reviewing existing instruments that capture patients' treatment experiences and is therefore requesting voluntary submission of such instruments or measures along with documentation for administration of the instruments or measures and, if possible, critical evaluations of particular measures or related survey administration techniques.

**DATES:** Parties interested in contributing to this endeavor are asked to submit the requested material on or before October 24, 2003 to Beth Kosiak, Ph.D. (see address below). AHRQ will not reply to individual responses, but will consider all submissions and suggestions.

**ADDRESSES:** Submissions should include a brief cover letter and include copy of the instrument or particular measure(s) for consideration. They may be in the form of a letter or e-mail, preferably with an electronic file in a standard word processing format such as Microsoft Word or Word Perfect on a 3½ inch diskette enclosed or as an e-mail with an e-mail attachment. Electronic submissions are strongly encouraged. Responses to this request should be submitted to: Beth Kosiak, PhD, Agency for Healthcare Research and Quality, 540 Gaither Road, Rockville, MD 20850, Phone: (301) 427-1322, Fax: (301) 427-1341, e-mail: [bkosiak@ahrq.gov](mailto:bkosiak@ahrq.gov).

In order to ease the handling of submissions, please send a copy of the instrument or measure(s), and a cover letter addressing the extent to which the information submitted meets the "Submission Criteria" below. A copy or citation of relevant peer-reviewed journal articles is also desirable, but not required. For citations, please include the title of the article, author(s), publication year, journal name, volume, issue, and page numbers where article appears. All submissions must include a statement of willingness to grant to AHRQ the right to use and authorize others to use submitted measures and their documentation as part of a CAHPS®-trademarked instrument. Any CAHPS instrument developed for patient perspectives of experiences of hemodialysis care will be made publicly available for use free of charge. However, a CAHPS instrument bearing the CAHPS trademark may only be administered following CAHPS documentation and instructions. To facilitate our obtaining any other required clarifications, please submit the following information with respect to a knowledgeable contact person: (a) Name, (b) title, (c) organization, (d)
