Bureau of Political-Military Affairs; Denied Persons Pursuant to UN Security Council Resolution

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: Notice is hereby given of an updated list of persons that are subject to an arms embargo in implementation of UN Security Council Resolutions 1390 (2002) and 1455 (2003). This action is being taken pursuant to sections 38 and 42 of the Arms Export Control Act and in accordance with section 5 of the UN Participation Act (UNPA) and E.O. 12918.

EFFECTIVE DATE: August 25, 2003.

FOR FURTHER INFORMATION CONTACT:

Mary Sweeney, Office of Defense Trade Controls Management, Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, Department of State (202) 633-2700.

SUPPLEMENTARY INFORMATION: UN

Security Council Resolutions 1390 (2002) and 1455 (2003) require UN Member States to implement an arms embargo (and other sanctions) against those individuals, groups, undertakings and entities listed in the consolidated list created in accordance with UN Security Council Resolutions 1267 (1999) and 1333 (2000) and maintained by the UN 1267 Sanctions Committee. Specifically, the resolutions require that Member States prevent the direct or indirect supply, sale and transfer, to those on the 1267 Sanctions Committee list, from their territories or by their nationals outside their territories, or using their flag vessels or aircraft, of arms and related material of all types including weapons and ammunition, military vehicles and equipment, paramilitary equipment, and spare parts for the aforementioned and technical advice, assistance, or training related to military activities.

Effective October 24, 2002, U.S. manufacturers and exporters and any other affected parties were notified that the Department imposed a policy of denial for any new license application or other request for approval for the export or transfer of defense articles (including technical data) or defense services (whether or not all the information relied upon by the U.S. person in performing the defense service is in the public domain) if any of the names on the list published on October 24, 2002 appear in connection with the application or other request for approval subject to section 38 of the Arms Export Control Act. Further, that action also precluded the use of any exemptions from licensing or other approval (*e.g.* brokering) requirements available under the International Traffic in Arms Regulations (ITAR) involving any person on the list. A consolidated list created pursuant to UN Security Council Resolutions 1267 (1999), 1333 (2000) and 1390 (2002), updated on September 11, 2002, was published in the **Federal Register** on October 24, 2002, by the Bureau of Political-Military Affairs. This notice contains the list updated as of June 25, 2003, which also reflects UN Security Council Resolution 1455, adopted in January 2003.

Thus, U.S. manufacturers and exporters and any other affected parties are hereby notified the Department has imposed a policy of denial for any new license application or other request for approval for the export or transfer of defense articles or defense services if any of the names on the list below appear in connection with the application or other request for approval subject to section 38 of the Arms Export
