#### Committee for the Implementation of Textile Agreements

August 20, 2003.

Commissioner,  
Bureau of Customs and Border Protection,  
Washington, DC 20229.

Dear Commissioner: This directive  
amends, but does not cancel, the directive  
issued to you on March 27, 1997, by the  
Chairman, Committee for the Implementation  
of Textile Agreements. That directive  
establishes an export visa arrangement for  
certain cotton, wool, man-made fiber, silk  
blend, and other vegetable fiber textiles and  
textile products, produced or manufactured  
in the People's Republic of China.

Effective on January 1, 2004, for products  
exported from China on or after January 1,  
2004, you are directed to amend the March  
27, 1997 directive to provide for the use of  
export licenses/commercial invoices issued  
by the Government of the People's Republic  
of China which bear the watermark "the  
Ministry of Commerce of the People's  
Republic of China." This watermark replaces  
the old watermark issued by "the Ministry of  
Foreign Trade and Economic Cooperation."

To facilitate implementation of this  
amendment to the export licensing system,  
you are directed to permit entry of textile  
products, produced or manufactured in  
China and exported from China during the

period January 1, 2004 through January 31, 2004, for which the Government of the People's Republic of China has issued an export license/commercial invoice bearing either the old or new watermarks, as described above.

Products exported on and after February 1, 2004 must be accompanied by an export visa issued by the Government of the People's Republic of China bearing the new watermark, as described above.

The requirements for ELVIS (Electronic Visa Information System) remain unchanged.

Shipments entered or withdrawn from warehouse according to this directive which are not accompanied by an appropriate export visa shall be denied entry and a new visa must be obtained.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,  
James C. Leonard III,
