Notice of Hearing: Reconsideration of Disapproval of Oklahoma Medicaid State Plan Amendment (SPA) 02–14

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Notice of hearing.

SUMMARY: This notice announces an administrative hearing on October 7, 2003, at 10 a.m.; Room 714, 1301 Young Street; CMS Dallas Regional Office; Dallas, Texas 75202 to reconsider our decision to disapprove Oklahoma State Plan Amendment (SPA) 02–14.

Closing Date: Requests to participate in the hearing as a party must be received by the presiding officer by September 15, 2003.

FOR FURTHER INFORMATION CONTACT: Kathleen Scully-Hayes, Presiding Officer, CMS, 2520 Lord Baltimore Drive, Suite L, Baltimore, Maryland 21244, Telephone: (410) 786–2055.

At issue is whether the proposed supplemental payment methodology contained in the SPA complies with the requirement at section 1902(a)(30)(A) of the Social Security Act that payment methodologies must assure that “payments are consistent with efficiency, economy and quality of care.” The proposed payment methodology would provide supplemental payment for services rendered by doctors of medicine, osteopathy, and dentists who are State employees. The State asserted that increased payment was warranted because of the specialized services provided by these State employees. The State failed to demonstrate, however, that delivering Medicaid services through State employees generated significantly higher costs sufficient to justify the requested supplemental payment. Moreover, the supplemental payment methodology proposed by the State is not a customary method for paying physicians and other health professionals. The methodology would make it difficult to track payments for specific services and would complicate auditing processes. In sum, at issue is whether it is consistent with efficiency, economy, and quality of care to use a methodology that: (1) Is not justified by any increased costs to the State to ensure access to services for Medicaid beneficiaries; (2) is not a usual and customary payment methodology; and (3) would unduly complicate tracking and audit processes.

Section 1116 of the Act and 42 CFR part 430 establish Department procedures that provide an administrative hearing for reconsideration of a disapproval of a State plan or plan amendment. The CMS is required to publish a copy of the notice to a state Medicaid agency that informs the agency of the time and place of the hearing and the issues to be considered. If we subsequently notify the agency of additional issues that will be considered at the hearing, we will also publish that notice.

Any individual or group that wants to participate in the hearing as a party must petition the preiding officer within 15 days after publication of this notice, in accordance with the requirements contained at 42 CFR 430.76(b)(2). Any interested person or organization that wants to participate as amicus curiae must petition the presiding officer before the hearing begins in accordance with the requirements contained at 42 CFR 430.76(c). If the hearing is later rescheduled, the presiding officer will notify all participants.

The notice to Oklahoma announcing an administrative hearing to reconsider the disapproval of its SPA reads as follows:

Mr. Jim Hancock, Director
Health Policy Division
Oklahoma Health Authority
4545 North Lincoln Boulevard, Suite 124

For the above stated reasons, and after consulting with the Secretary as required by 42 CFR 430.15(c)(2), the Centers for Medicare & Medicaid Services (CMS) disapproved Oklahoma SPA 02–14.
