SUPPLEMENTARY INFORMATION: The Senior Environmental Employment (SEE) program is authorized by the Environmental Programs Assistance Act

Requests for copies of EPA comments can be directed to the Office of Federal Activities at (202) 564-7167. An explanation of the ratings assigned to draft environmental impact statements (EISs) was published in the **Federal Register** dated April 4, 2003 (68 FR 16511).

Summary: EPA expressed environmental concerns about the protection of high risk species. An alternative limiting Survey and Manage requirements to a smaller number of species at high risk should be considered. More detail is needed on implementing special species programs, including a detailed implementation and proposed mitigation plan and for species removed from Survey and Manage.

Final EISs
