

findings, root and contributing causes, and draft recommendations.

Recommendations are issued by a vote of the Board and address an identified safety deficiency uncovered during the investigation, and specify how to correct the situation. Safety recommendations are the primary tool used by the Board to motivate implementation of safety improvements and prevent future incidents. The CSB uses its unique independent accident investigation perspective to identify trends or issues that might otherwise be overlooked. CSB recommendations may be directed to corporations, trade associations, government entities, safety organizations, labor unions and others.

After the staff presentation, the Board will allow a time for public comment. Following the conclusion of the public comment period, the Board will consider whether to vote to approve the final report and recommendations. When a report and its recommendations are approved, this will begin CSB's process for disseminating the findings and recommendations of the report not only to the recipients of recommendations but also to other public and industry sectors. The CSB believes that this process will ultimately lead to the adoption of recommendations and the growing body of safety knowledge in the industry, which, in turn, should save future lives and property.

All staff presentations are preliminary and are intended solely to allow the Board to consider in a public forum the issues and factors involved in this case. No factual analyses, conclusions or findings should be considered final. Only after the Board has considered the staff presentation and approved the staff report will there be an approved final record of this incident.

The meeting will be open to the public. Please notify CSB if a translator or interpreter is needed, at least 5 business days prior to the public meeting. For more information, please contact the Chemical Safety and Hazard Investigation Board at (202)-261-7600, or visit our Web site at: <http://www.csb.gov>.

Certain Pasta From Italy: Notice of Extension of Time Limit for Countervailing Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the countervailing duty new shipper review on certain pasta from Italy. The period of review is January 1 through December 31, 2002.

EFFECTIVE DATE: August 29, 2003.

FOR FURTHER INFORMATION CONTACT: Daniel J. Alexy, Office of AD/CVD Enforcement I, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1540.

SUPPLEMENTARY INFORMATION:

Background:

On February 27, 2003, the Department of Commerce ("the Department") initiated a countervailing duty new shipper review for certain pasta from Italy, covering calendar year 2002. See *Notice of Initiation of Countervailing Duty New Shipper Review*, 68 FR 10446 (March 5, 2003). Corrections to the initiation notice were published in the **Federal Register** on March 24, 2003 (See 68 FR 14198). The preliminary results are currently due no later than August 26, 2003.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results within 180 days after the date on which the new shipper

review is initiated. However, if the proceeding is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend this deadline to a maximum of 300 days.

Postponement

The Department has determined that additional time is necessary to issue the preliminary results in this new shipper review for the reasons stated in our memorandum from Susan Kubbach to Jeffrey May, dated August 25, 2003. Therefore, in accordance with section 751 (a)(2)(B)(iv) of the Act, we are postponing the preliminary results of this new shipper review until no later than December 24, 2003.

This notice is published pursuant to section 777(i)(1) of the Act.

Dated: August 25, 2003.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.
