FOR FURTHER INFORMATION CONTACT: Beth H. Dwyer, Contracting Officer, at *beth.dwyer@go.doe.gov*. Note, however, that responses to questions concerning the solicitation will ONLY be answered through the Q&A process in the IIPS system, and any Amendments to the Solicitation will be posted on the IIPS Web site ONLY.

SUPPLEMENTARY INFORMATION: The DOE Office of Infrastructure Technologies is soliciting Applications for R&D projects that will focus primarily on technology development in the areas of Catalytic Oxidation, Distillation, Wood/Composites, Fiber Recycling, and New Forest-Based Materials. Other promising technology areas demonstrating energy efficiency in the chemical and forest products industries may be considered in addition to the areas identified above.

Organizations applying under this solicitation are required to develop collaborative project teams involving industry, university and/or national laboratory participants. A minimum of two chemical or forest products organizations must be involved in each application. Awards under this Solicitation will be either Grants or Cooperative Agreements, with a Project Period of three to five years beginning in CY2004. A minimum Cost Share of 30% of Total Project Costs from non-federal sources for applied research projects, and 50% of Total Project Costs from non-federal sources for projects involving commercial demonstration technologies, for each year of the projects, is required in order to be considered for an award.

The possible number of initial awards to be made will depend on the availability of funds in the Fiscal Year 2004 congressional appropriations. Continuation of funding for the full project period will be contingent upon the availability of funds beyond FY 2004. The anticipated level of available DOE funding is specified in the Introduction to and Appendix B of the Solicitation. DOE reserves the right to make no awards under this Solicitation or to reduce the requested DOE funding commitment on any potential award through negotiated reductions in work scope.

Issued in Golden, Colorado, on August 21, 2003.

Algonquin Gas Transmission Company; Notice of Compliance Filing

August 29, 2003.

Take notice that on August 21, 2003, Algonquin Gas Transmission Company (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the following tariff sheets proposed to be effective October 1, 2003:

Sub Original Sheet No. 50
Sub Original Sheet No. 51
Sub Original Sheet No. 52
Sub Original Sheet No. 53

Algonquin states that it is making this filing pursuant to an order issued by the Commission in the captioned docket on August 6, 2003. The August 6 Order accepted the tariff sheets listed in the appendix of the order, subject to Algonquin's submission within 15 days, of revised tariff sheets reflecting the length of the negotiated rate agreements detailed in the tariff sheets.

Algonquin states that copies of its filing have been mailed to all affected customers of Algonquin and interested state commissions, and to all parties on the Commission's official service list in this proceeding.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings.
