Background

On August 30, 2002, United States Steel Corporation (petitioner), requested an administrative review of Tubos de Acero de Mexico S.A. (TAMSA), a Mexican producer and exporter of OCTG, with respect to the antidumping order published in the **Federal Register**. *See Antidumping Duty Order: Oil Country Tubular Goods From Mexico*, 60 FR 41055 (August 11, 1995). Additionally, respondent Hylsa, S.A. de C.V. (Hylsa) requested that the Department conduct an administrative review of Hylsa. On September 11, 2002, Hylsa withdrew its request and requested that the Department terminate the review. Therefore, the Department did not initiate with respect to Hylsa. We initiated the review for TAMSA. *See Initiation*.

SUPPLEMENTARY INFORMATION: On October 11, 2002, the Department issued an antidumping duty questionnaire to TAMSA. On November 1, 2002, TAMSA and Siderca Corporation (TAMSA's U.S. affiliate) claimed that they "did not directly or indirectly, enter for consumption, or sell, export or ship for entry for consumption in the United States subject merchandise during the period of review." Petitioner subsequently claimed on November 12, 2002, that publicly available import data from the Department's IM-145 database showed that 2,187 metric tons of seamless OCTG from Mexico entered the United States during the POR. Petitioner asserted that TAMSA was the only producer of seamless OCTG in Mexico. Petitioner requested that the Department investigate these transactions to determine whether this merchandise is subject to review. On December 10, 2002, the Department forwarded a no-shipment inquiry to Customs for circulation to all Customs ports. Customs did not indicate to the Department that there was any record of

¹ The liquidation of entries of subject merchandise exported by Xinyi was not suspended until the final determination in the original investigation. *See Notice of Preliminary Determination of Sales at Less than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic of China*, 66 FR 48233, 48242 (September 19, 2001) compare with *Notice of Final Determination of Sales at Less than Fair Value: Certain Automotive Replacement Glass Windshields from the People's Republic of China*, 67 FR 6482, 6484 (February 12, 2002).
