

intended for vehicles that would be shipped to Canada were installed in vehicles produced for sale in the U.S. territories, and some vehicles produced for sale in Canada included labels intended for the U.S. market.

Mazda argued that first, the warning contained on the bilingual label is identical to the warning required by the standard. Second, the layout of the label and its location in the vehicle is also the same as the requirements of the standard. The only difference between the noncomplying label and the label required by the standard is that the information on the label is also provided in French and the area of the English language warning is 16 square centimeters rather than the 30 square centimeters required by the standard.

Since January 1997, Mazda has sold more than 260,000 vehicles with this identical bilingual label in Canada. In that time, Mazda believes that NHTSA has not had a single complaint that a driver or passenger was unable to decipher the information on the label because of the size of the message. If there are individuals who have difficulty reading the size of the warning, the information is also found in the owner's manual.

Mazda believes that its noncompliance with S4.5.1 of FMVSS No. 208 does not present a risk to vehicle safety and that it should be exempt from the notification and remedy requirements of the Safety Act.

Type of Review: Extension, without revision, of a currently approved collection.

Form Number: None.

Abstract: This submission covers an extension of the Agencies' currently approved information collections in their regulations (12 CFR part 35 (OCC), 12 CFR part 207 (Board), 12 CFR part 346 (FDIC), and 12 CFR part 533 (OTS)). The submission involves no change to the regulations or to the information collection requirements.

The information collection requirements contained in the regulations are as follows:

Section __.6(b)(1) requires each nongovernmental entity or person (NGEP) and each insured depository institution or affiliate (IDI) that enters into a covered agreement to make a copy of the covered agreement available to any individual or entity upon request.

Section __.6(c)(1) requires each NGEP that is a party to a covered agreement to provide within 30 days after receiving a request from the relevant supervisory agency (1) a complete copy of the agreement; and (2) in the event the NGEP seeks confidential treatment of any portion of the agreement under FOIA, a copy of the agreement that excludes information for which confidential treatment is sought and an explanation justifying the request.

Sections __.6(d)(1)(i) and __.6(d)(1)(ii) require each IDI within 60 days of the end of each calendar quarter to provide each supervisory agency with either (1) a complete copy of each covered agreement entered into by the IDI or affiliate during the calendar quarter; and in the event the IDI seeks confidential treatment of any portion of the agreement under FOIA, a copy of the agreement that excludes information for which confidential treatment is sought and an explanation justifying the request; or (2) a list of all covered agreements entered into by the IDI or affiliate during the calendar quarter.

Section __.6(d)(2) requires an IDI or affiliate to provide any relevant supervisory agency with a complete copy and public version of any covered agreement, if the IDI submits a list of their covered agreements pursuant to section __.6(d)(1)(ii).

Section __.7(b) requires each NGEP and IDI that is a party to a covered agreement to file an annual report with each relevant supervisory agency concerning the disbursement, receipt, and uses of funds or other resources under the covered agreement.

Section __.7(f)(2)(ii) requires an IDI that receives an annual report from a NGEP pursuant to section __.7(f)(2)(i) to file the report with the relevant supervisory agency or agencies on behalf of the NGEP within 30 days.

Section __.4(b) requires an IDI that is party to a covered agreement that concerns any activity described in section __.4(a) of a CRA affiliate to notify each NGEP that is a party to the agreement that the agreement concerns a CRA affiliate.

Current Actions

The agencies' proposed reduction in burden is due to a change in the method of estimating the burden. The initial estimate was based on the assumption that 50 percent of insured depository institutions regulated by the agencies are party to one covered agreement. The new estimate is more precise because it takes into account the actual number of IDIs or their affiliates that reported covered agreements to the agencies in 2001 and 2002. The number of NGEP respondents is based on an assumption that one NGEP is a party to each covered agreement.

Affected Public: Businesses or other for-profit; individuals.

Burden Estimates:

Estimated Number of Respondents:

OCC: 25 IDI; 337 NGEP
Board: 13 IDI; 78 NGEP
FDIC: 13 IDI; 36 NGEP
OTS: 24 IDI; 120 NGEP

Estimated Number of Responses:

OCC: 2,813
Board: 637
FDIC: 316
OTS: 984

Estimated Annual Burden Hours:

OCC: 3,899 hours
Board: 910 hours
FDIC: 501.6 hours
OTS: 1,416 hours

Frequency of Response: On occasion.
