BILLING CODE 7590-01-P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rules 17h-1T and 17h-2T, SEC File No. 270-359, OMB Control No. 3235-0410

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collections of information discussed below. The Code of Federal Regulation citations to this collection of information are the following rules: 17 CFR 240.17h-1T and 17 CFR 240.17h-2T.

Rule 17h-1T requires a broker-dealer to maintain and preserve records and other information concerning certain entities that are associated with the broker-dealer. This requirement extends to the financial and securities activities

of the holding company, affiliates and subsidiaries of the broker-dealer that are reasonably likely to have a material impact on the financial or operational condition of the broker-dealer. Rule 17h-2T requires a broker-dealer to file with the Commission quarterly reports and a cumulative year-end report concerning the information required to be maintained and preserved under Rule 17h-1T.

The collection of information required by Rules 17h-1T and 17h-2T is necessary to enable the Commission to monitor the activities of a broker-dealer affiliate whose business activities is reasonably likely to have a material impact on the financial and operational condition of the broker-dealer. Without this information, the Commission would be unable to assess the potentially damaging impact of the affiliate's activities on the broker-dealer.

There are currently 166 respondents that must comply with Rules 17h-1T and 17h-2T. Each of these 166 respondents require approximately 10 hours per year, or 2.5 hours per quarter, to maintain the records required under Rule 17h-1T, for an aggregate annual burden of 1,660 hours (166 respondents x 10 hours). In addition, each of these 166 respondents must make five annual responses under Rule 17h-2T. These five responses require approximately 14 hours per respondent per year, or 3.5 hours per quarter, for an aggregate annual burden of 2,324 hours (166 respondents X 14 hours). In addition, there are approximately seven new respondents per year that must draft an organizational chart required under Rule 17h-1T and establish a system for complying with the Rules. The staff estimates that drafting the required organizational chart requires one hour and establishing a system for complying with the Rules requires three hours, thus requiring an aggregate of 28 hours (7 new respondents x 4 hours). Thus, the total compliance burden per year is approximately 4,012 burden hours (1,660 + 2,324 + 28).

Rule 17h-1T specifies that the records required to be maintained under the Rule must be preserved for a period of not less than three years. There is no specific retention period or record keeping requirement for Rule 17h-2T. The collection of information is mandatory and the information required to be provided to the Commission pursuant to these Rules are deemed confidential, notwithstanding any other provision of law under section 17(h)(5) of the Securities Exchange Act of 1934 (15 U.S.C. 78q(h)(5)) and section 552(b)(3)(B) of the Freedom of Information Act (5 U.S.C. 552(b)(3)(B)).
