

in the United States producing PVA is materially injured by reason of less-than-fair-value imports of subject merchandise from the Republic of Korea (Korea). Therefore, in accordance with section 736(a)(1) of the Act, the Department will direct the U.S. Bureau of Customs and Border Protection (Customs) to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price of the merchandise for all relevant entries of PVA from Korea. These antidumping duties will be assessed on all unliquidated entries of PVA from Korea entered, or withdrawn from the warehouse, for consumption on or after March 20, 2003, the date on which the Department published its *Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination: Polyvinyl Alcohol From the Republic of Korea*, 68 FR 13681 (March 20, 2003).

On or after the date of publication of the ITC's notice of final determination in the **Federal Register**, Customs will require, at the same time as importers would normally deposit estimated duties on this merchandise, cash deposits for the subject merchandise equal to the estimated weighted-average antidumping duty margins listed below. DC Chemical Company, Ltd.	38.74

ACTION: Notice of Rescission of Antidumping Duty Administrative Review.

SUMMARY: On August 22, 2003, in response to timely request from DaiYang Metal Corporation Ltd. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 50750 (August 22, 2003) ("Initiation Notice"). On August 27, 2003, DMC withdrew its request for an administrative review. Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review.
