#### SUPPLEMENTARY INFORMATION:

**Title:** Guidelines for Eligibility and Required Documentation for the Golden Access Passport.

**OMB Number:** 0596-New.

**Expiration Date of Approval:** N/A.

**Type of Request:** New.

**Abstract:** The Golden Access Passport was created in 1980 by an amendment to the Land and Water Conservation Fund Act (LWCFA) of 1965. A Golden Access Passport is a free, lifetime permit that is issued without charge by the National Park Service, Bureau of Land Management, Bureau of Reclamation, and Fish and Wildlife Service, Department of the Interior; the Forest Service, Department of Agriculture; and the U.S. Army Corps of Engineers, Department of Defense to citizens or persons who are domiciled (permanent residents) in the United States, regardless of age, and who have a medical determination and documentation of blindness or permanent disability. Golden Access Passports may be obtained in person and upon proof of blindness or medically determined permanent disability in accordance with the criteria established in the LWCFA of 1965, as amended.

The Passport is not transferable and must be signed by the holder. This Passport entitles the holder and any persons accompanying the holder, such as a care assistant or the holder's spouse and children, in a single private, noncommercial vehicle, to general admission to a Federal area where an entrance fee is charged. This Passport also entitles the holder only to a 50 percent discount on use fees that are charged per vehicle, per person, or per single-family unit at outdoor recreation sites managed by the Forest Service or concessionaires.

In order to clarify and simplify the process for persons with disabilities to obtain the Golden Access Passport, all of the agencies that issue this free, lifetime Passport cooperated in the development of the Guidelines for Eligibility and Required Documentation for the Golden Access Passport. These Guidelines will be used by each agency

when assisting customers seeking to obtain the Passport.

**Estimate of Burden:** 5 minutes.

**Type of Respondents:** Individuals with permanent disabilities, who are applying for the free, lifetime Golden Access Passport.

**Estimated Number of Respondents:** 59,810.

- Submission for OMB Review;  
Comment Request**
- DOC has submitted to the Office of  
Management and Budget (OMB) for  
clearance the following proposal for  
collection of information under the  
provisions of the Paperwork Reduction  
Act (44 U.S.C. chapter 35).  
**AGENCY:** U.S. Census Bureau.  
*Title:* 2004 Panel of the Survey of  
Income and Program Participation  
(SIPP), Core Instrument and Wave I  
Topical Modules.  
*Form Number(s):* SIPP 24105(L)  
Director's Letter; SIPP/CAPI Automated  
Instrument; SIPP 21003 Reminder Card.  
*Agency Approval Number:* None.  
*Type of Request:* New collection.  
*Burden:* 98,685 hours.  
*Number of Respondents:* 97,650.  
*Avg Hours Per Response:* 30 minutes.  
*Needs and Uses:* The U.S. Census  
Bureau plans to conduct the 2004 Panel  
of the Survey of Income and Program  
Participation (SIPP). This clearance  
request is to accommodate the core  
instrument for the life of the 2004 Panel,  
the topical modules for the Wave 1  
interviews, and the reinterview  
instrument, which will be used during  
the life of the 2004 Panel. The  
reinterview instrument will be used for  
quality control analysis of data collected  
by the SIPP field representatives.  
The SIPP is designed as a continuing  
series of national panels of interviewed  
households that are introduced every  
few years, with each panel having  
durations of 3 to 4 years. The 2004  
Panel is scheduled for four years and  
will include twelve waves which will  
begin February 1, 2004. All household  
members 15 years old or over are  
interviewed a total of twelve times  
(twelve waves), at 4-month intervals,  
making the SIPP a longitudinal survey.  
The survey is molded around a  
central "core" of labor force and income  
questions that remain fixed throughout  
the life of a panel. The core is  
supplemented with questions designed  
to answer specific needs. These  
supplemental questions are included  
with the core and are referred to as  
"topical modules." The topical modules  
for the 2004 Panel Wave 1 are
