Title: Guidelines for Eligibility and Required Documentation for the Golden Access Passport.

OMB Number: 0596-New.

Expiration Date of Approval: N/A.

Type of Request: New.

Abstract: The Golden Access Passport was created in 1980 by an amendment to the Land and Water Conservation Fund Act (LWCFA) of 1965. A Golden Access Passport is a free, lifetime permit that is issued without charge by the National Park Service, Bureau of Land Management, Bureau of Reclamation, and Fish and Wildlife Service, Department of the Interior; the Forest Service, Department of Agriculture; and the U.S. Army Corps of Engineers, Department of Defense to citizens or persons who are domiciled (permanent residents) in the United States, regardless of age, and who have a medical determination and documentation of blindness or permanent disability. Golden Access Passports may be obtained in person and upon proof of blindness or medically determined permanent disability in accordance with the criteria established in the LWCFA of 1965, as amended.

The Passport is not transferable and must be signed by the holder. This Passport entitles the holder and any persons accompanying the holder, such as a care assistant or the holder's spouse and children, in a single private, noncommercial vehicle, to general admission to a Federal area where an entrance fee is charged. This Passport also entitles the holder only to a 50 percent discount on use fees that are charged per vehicle, per person, or per single-family unit at outdoor recreation sites managed by the Forest Service or concessionaires.

In order to clarify and simplify the process for persons with disabilities to obtain the Golden Access Passport, all of the agencies that issue this free, lifetime Passport cooperated in the development of the Guidelines for Eligibility and Required Documentation for the Golden Access Passport. These Guidelines will be used by each agency

when assisting customers seeking to obtain the Passport.
