OFFICE OF PERSONNEL MANAGEMENT

Proposed Collection; Comment Request for Review of a Revised Information Collection: RI 30-1

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel

Management (OPM) intends to submit to the Office of Management and Budget (OMB) a request for review of a revised information collection. RI 30-1, Request to Disability Annuitant for Information on Physical Condition and Employment, is used by persons who are not yet age 60 and who are receiving disability annuity and are subject to inquiry as to their medical condition as OPM deems reasonably necessary. RI 30-1 collects information as to whether the disabling condition has changed.

Approximately 8,000 RI 30-1 forms will be completed annually. We estimate it takes approximately 60 minutes to complete the form. The annual burden is 8,000 hours.

Comments are particularly invited on: whether this collection of information is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through use of the appropriate technological collection techniques or other forms of information technology. For copies of this proposal, contact Mary Beth Smith-Toomey on (202) 606-8358, fax (202) 418-3251 or E-mail to mbtoomey@opm.gov. Please include your mailing address with your request.

DATES: Comments on this proposal should be received on or before December 15, 2003.

ADDRESSES: Send or deliver comments to Ronald W. Melton, Chief, Operations Support Group, Center for Retirement and Insurance Services, U.S. Office of Personnel Management, 1900 E Street, NW., Room 3349A, Washington, DC 20415-3540.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, 450 Fifth Street, NW., Washington, DC 20549.

Extension: Rule 17f-6 [17 CFR 270.17f-6]; SEC File No. 270-392; OMB Control No. 3235-0447.

Notice is hereby given that, under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 17f-6 under the Investment Company Act of 1940 [17 CFR 270.17f-6] permits registered investment companies ("funds") to maintain assets (*i.e.*, margin) with futures commission merchants ("FCMs") in connection with commodity transactions effected on both domestic and foreign exchanges. Before the rule was adopted, funds generally were required to maintain such assets in special accounts with a custodian bank.¹

The rule requires a written contract that contains certain provisions to ensure important safeguards and other benefits relating to the custody of fund assets by FCMs. The requirement that FCMs comply with the segregation or secured amount requirements of the Commodity Exchange Act ("CEA") and the rules under that statute is designed to protect fund assets held by FCMs. The contract requirement that an FCM obtain an acknowledgment from an entity that clears fund transactions that the fund's assets are held on behalf of the FCM's customers according to CEA provisions seeks to accommodate the legitimate needs of the participants in the commodity settlement process, consistent with the protection of fund assets. Finally, FCMs are required to furnish to the Commission or its staff on request information concerning the fund's assets in order to facilitate Commission inspections of funds.

The Commission estimates that approximately 2,154 funds effect commodities transactions and could

deposit margin with FCMs under rule 17f-6 in connection with those transactions. Commission staff estimates that each fund uses and deposits margin with 2 different FCMs in connection with its commodity transactions.² Approximately 179 FCMs are eligible to hold fund margin under the rule.³

The Commission estimates that each of the 2,154 funds spend an average of 1 hour annually complying with the contract requirements of the rule (*e.g.*, executing contracts that contain the requisite provisions with additional FCMs), for a total of 2,154 burden hours. The estimate does not include the time required by an FCM to comply with the rule's contract requirements because, to the extent that complying with the contract provisions could be considered "collections of information," the burden hours for compliance are already included in other PRA submissions or are *de minimis*.⁴ The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Compliance with the collection of information requirements of the rule is necessary to obtain the benefit of relying on the rule. If an FCM furnishes records pertaining to a fund's assets at the request of the Commission or its staff, the records will be kept confidential to the extent permitted by relevant statutory or regulatory provisions. The rule does not require these records be retained for any specific period of time. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and

Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503; and (ii) Kenneth A. Fogash, Acting Associate Executive Director/CIO, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Comments must be submitted to OMB within 30 days after this notice.

Dated: October 8, 2003.

Margaret H. McFarland,

Deputy Secretary.

Applicants' Representations

1. Each Applicant is an investment adviser registered under the Investment Advisers Act of 1940 (the "Advisers Act") and an indirect subsidiary of J.P. Morgan Chase & Co. ("JPMC"), a holding company that, through its subsidiaries and affiliates, provides investment, financing, advisory, banking and related products and services on a global basis. JPMC also is the ultimate parent company of JPMSI. JPMSI, a Delaware corporation, is a full service investment-banking firm and is registered as a broker-dealer under the Securities Exchange Act of 1934 (the "Exchange Act") and as an investment adviser under the Advisers Act. ³ Commodity Futures Trading Commission, Annual Report (2002).

⁴ The rule requires a contract with the FCM to contain three provisions. Two of the provisions require the FCM to comply with existing requirements under the CEA and rules adopted under that Act. Thus, to the extent these provisions could be considered collections of information, the hours required for compliance would be included in the collection of information burden hours submitted by the Commodity Futures Trading Commission for its rules. The third contract provision requires that the FCM produce records or other information requested by the Commission or its staff. Commission staff has requested this type of information from an FCM so infrequently in the past that the annual burden hours are *de minimis*.
