National Institute on Disability and Rehabilitation Research—Research Fellowships Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2004

Purpose of Program: The purpose of the Research Fellowships Program is to build research capacity by providing support to highly qualified individuals, including those who are individuals with disabilities, to conduct research about the rehabilitation of individuals with disabilities. Fellows may conduct original research in an area authorized by section 204 of the Rehabilitation Act of 1973, as amended. Fellows must address problems encountered by individuals in their daily lives that are due to the presence of a disabling condition, problems associated with the provision of rehabilitation services to individuals with disabilities, and problems connected with the conduct of disability research.

The program provides two categories of Fellowships: Merit Fellowships and Distinguished Fellowships.

(a) To be eligible for a Distinguished Fellowship, an individual must have seven or more years of research experience in subject areas, methods, or techniques relevant to rehabilitation research and must have a doctorate, other terminal degree, or comparable academic qualifications.

(b) To be eligible for a Merit Fellowship, an individual must have either advanced professional training or

independent study experience in an area that is directly pertinent to disability and rehabilitation. In the most recent competitions, recipients of a Merit Fellowship had research experience at the doctoral level.

Applicants are not required to submit a budget with their proposal. These are one Full Time Equivalent (FTE) awards. The Fellow must work principally on the fellowship during the year. We define one FTE as equal to 40 hours per week. The Fellow cannot receive support through any other Federal Government grants during this period.

Eligible applicants: Only individuals who have advanced rehabilitation research training and experience in conducting scientific research related to the solution of rehabilitation problems of individuals with disabilities are eligible.

Note: Institutions are not eligible to be recipients of Fellowships.

Applications available: October 16, 2003.

Deadline for transmittal of applications: December 15, 2003.

Estimated available funds: The Administration has requested \$500,000 for this program for FY 2004. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Maximum Award: Merit: \$45,000; Distinguished: \$55,000.

Note: Applicants must indicate whether they are applying for the Merit Fellowship: \$45,000, or the Distinguished Fellowship: \$55,000.

Estimated Number of Awards: 10.

Note: The Department is not bound by any estimates in this notice.

Project Period: 12 months.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part III to the equivalent of no more than 24 pages using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

The page limit does not apply to Part I, the cover sheet; Part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, you must include all of the application narrative in Part III.

We will reject your application if you apply these standards and exceed the page limit.

Note: Applicants must place their Social Security Number in Block #2 on the ED 424 form in place of the D-U-N-S Number.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR), 34 CFR parts 75, 77, 81, 82, 85, and 97; and 34 CFR part 356, Disability and Rehabilitation Research Fellowships.

SUPPLEMENTARY INFORMATION:

Note: NIDRR supports the goals of President Bush's New Freedom Initiative (NFI). The NFI can be accessed on the Internet at the following site: <http://www.whitehouse.gov/news/freedominitiative/freedominitiative.html>.

The Research Fellowships Program is in concert with NIDRR's Long-Range Plan (Plan). The Plan is comprehensive and integrates many issues relating to disability and rehabilitation research topics. The Plan can be accessed on the Internet at the following site: <http://www.ed.gov/rschstat/research/pubs/index.html>.

Selection Criteria: In evaluating an application for a Fellowship under this competition, we use selection criteria chosen from the selection criteria in 34 CFR 356.30-32. The selection criteria to be used for this competition will be provided in the application package for this competition.

Application Procedures:

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

In FY 2004, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Research Fellowships Program—CFDA

#84.133F is one of the programs included in the pilot project. If you are an applicant under the Research Fellowships Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for its improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you do not wait until the application deadline date to initiate an e-Application package.
- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.
- You may submit all documents electronically, including the Application for Federal Education Assistance (ED 424) and all necessary assurances and certifications. The Budget Information—Non-Construction Programs (ED 524) is not required by the Research Fellowships Program—CFDA #84.133F.
- Your e-Application must comply with any page limit requirements described in this notice.
- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
- Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:
 1. Print ED 424.
 2. The applicant must sign this form under the Research Fellowships Program—CFDA #84.133F.
 3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
 4. Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

• We may request that you give us original signatures on other forms at a later date.

• **Application Deadline Date Extension in Case of System Unavailability:** If you elect to participate in the e-Application pilot for the Research Fellowships Program—CFDA #84.133F and you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. For us to grant this extension—

1. You must be a registered user of e-Application, and have initiated an e-Application for this competition; and
2. (a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or
 - (b) The e-Application system must be unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

The Department must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm the Department's acknowledgement of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** or (2) the e-GRANTS help desk at 1-888-336-8930.
