

DEPARTMENT OF HOMELAND SECURITY

Bureau of Immigration and Customs Enforcement

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: 30-Day notice of information collection under review: aircraft/vessel report; Form I-92.

The Department of Homeland Security (DHS), Bureau of Immigration and Customs Enforcement (ICE), has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The request for an extension of this information collection was previously published in the **Federal Register** on February 20, 2003 at 68 FR 8307, allowing for public review and comment for a period of 30 days. Comments were reconciled during the OMB approval process and temporary approval was received.

The purpose of this notice is to notify the public of the agency request to extend this information collection and to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until November 17, 2003. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, 725 17th Street, NW., Room 10235, Washington, DC 20530.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection
